JANOME 525S INSTRUCTION BOOK Pdf Download | ManualsLib

October 28, 2018. The Janome Sewist 525S is one of the best-selling sewing machines in the UK. Much of its popularity is due to the fact that it was the model used in the recent BBC 2 programme, The Great British Sewing Bee. With credentials as good as these, you may think it is a top of the range sewing machine, however, the Janome 525s is a budget model, albeit a very good one.

Our Review Of The Janome 525S – Sewing Machine Guide

The Janome 525S sewing machine has the following main features: 24 Stitches; 1-Step Automatic Buttonhole; Drop-in Bobbin; Needle Threader; Those are the main ones, but the nice thing about the 525S is that it has a bunch of other smaller features and details which make sewing with it a real pleasure! I'll talk more about them further down. The Stitches

My Review of the Janome 525S – Sewing Machine Expert

Sewing machine review: Janome Sewist 525S I bought my Janome 525S last year and have been so happy with it. I have wanted to review it for you for a long time, and now that I have tried and tested quite a lot of the functions I feel like I ' m in a much better position to do it!

Janome Sewing Machines | John Lewis & Partners

The Janome 7025 is almost identical to the Janome 525S sewing machine, and as far as I can tell the only real difference between the two models is the design. For that reason I would suggest shopping around and going for whichever model is cheapest. For more information about the 525S model, have a read of my review of the Janome 525S. The Details
