one as a doctor and one as an award-winning translator. Until he was kidnapped by the Intelligence Service. Behind his professional success, Kooshyar was a rebel on several fronts. Marginalised since boyhood as a Jew in a fundamentalist Islamic state, he was a member of a political group that opposed the government. He'd also been using his medical skills illegally, to save unmarried pregnant women from death by stoning. Snatched from the street by the secret service, he was jailed and tortured and then forced to spy for the regime, before finally escaping to Turkey. There he faced a whole new struggle to keep his family safe while awaiting refugee status from the UN. He was forbidden to work and at the mercy of corrupt police, con men and red tape. Then life became more dangerous still, when the Intelligence Service tracked him down and used his mother, back in

Iran, as blackmail. Kooshyar's inspiring story of how he managed to forge a new life in Australia is heightened by his largeness of heart, strength of character, and insight into human behaviour, from the unfathomably evil to the selflessly kind. With the skill of a natural storyteller, Journey of a Thousand Storms recounts a life of endurance, compassion and gritty determination.

In an ancient world, the Senetha tribe once lived in prosperity scattered across a great continent. But now, their once beautiful land has transformed. The trees are blackened and dry. Crops have failed. Water has dried up. Animals are escaping in large numbers, and great herds have dwindled or been destroyed. Quite simply, their world is dying. Tenashar, a lean boy

on the cusp of adulthood, has just been appointed by the tribal council to find the solutions as to what is ailing his environment. All he knows is that Orbs, biological machines built by a previous civilization, are draining the life force from his land. Led by his determination to find the answers and weave the fabric of his destiny, Tenashar sets out across the continent and oceans where he must learn to rely not only on himself, but the wisdom of others—such as Nainashari, a wise man whose home is a cave of wonders—as he attempts to uncover the truth and understand how to deal with the Orbs. A Journey of a Thousand Seasons shares the compelling tale of a young man's coming-of-age journey as he searches for his identity and learns how to build a new life for his people.

remarkable story of a boy who sacrificed almost everything – family, financial security, childhood and his reputation in China ' s insular classical music world – to fulfil his promise as a classical pianist. Lang Lang was born in Shenyang in north-eastern China just after the end of the Cultural Revolution. He began piano lessons at three years old and by age ten had been awarded a place at the Central Conservatory of Music in Beijing. In order to continue his studies he moved thousands of miles from home, living with his exacting father in a cramped, shared apartment, while his mother stayed at home to earn the money to pay his fees. At fifteen he moved to the United States to take up a scholarship at the Curtis Institute in Philadelphia; by nineteen he was selling out Carnegie Hall. His tutor and mentor Daniel Barenboim was perhaps the first to describe him as ‘ extraordinarily

September 1867, Muir undertook a walk of about 1,000 miles from Indiana to Florida, which he recounted in his book *A Thousand-Mile Walk to the Gulf*. He had no specific route chosen, except to go by the "wildest, leafiest, and least trodden way I could find. Upon coming to California Muir immediately left for a visit to Yosemite, a place he had only read about. His hiking journeys through the mountains, valleys, forests and glaciers of Sierra are vividly described in books *My First Summer in the Sierra* and *The Mountains of California*. Muir also made four trips to Alaska and he documented these experiences in books *Travels in Alaska* and *The Cruise of the Corwin*. *Steep Trails* is collection of Muir's papers written during his journey over a period of twenty-nine years collected by William Frederic Badè .
