(Keyboard Instruction). A short easy method for learning to play boogie woogie, designed for the beginner and average pianist. Includes: exercises for developing left-hand bass * 25 popular boogie woogie bass patterns * arrangements of "Down the Road a Piece" and "Answer to the Prayer" by well-known pianists * a glossary of musical terms for dynamics, tempo and style.

John W. Schaum has captured the essence of this popular style of music based on 12-bar blues progressions and presents fresh, interesting, and fun melodies against driving left-hand bass patterns. Contains: * Army Boogie * Barbecue Boogie * Blue Boogie *

Louis Boogie

The Story of Boogie-Woogie: A Left Hand Like God examines the socio-historical background of the boogie-woogie piano style, from its early appearances in the barrelhouses of lumber, turpentine, and railroad camps in the southern United States, to its emergence at rent parties in Chicago and St. Louis, to its rise as a popular form of music in the nightclubs of New York, to its status as an international craze during World War II. In this enhanced revision of A Left Hand Like God, Peter J. Silvester presents a

Where To Download Joy Of Boogie And Blues

comprehensive history of boogie-woogie, describing the style's appearance and development, its offshoots, and the pianists who made it famous, and studying its impact on rhythm and blues, urban blues, and big band swing, leading to the eventual revival of 'classical' boogie-woogie in concerts and festivals. Silvester discusses significant European and American pianists of boogie-woogie throughout history, providing biographical information about their life styles and musical influences and offering an analysis of their important recordings. The book also includes a new chapter on the contribution of national and independent record companies to the recording of boogie-woogie music. A thorough bibliography

Where To Download Joy Of Boogie And Blues

and a final appendix providing many of the bass patterns common in boogie-woogie make this a valuable reference.

(Yorktown). A hot and funky selection of piano solos tracing the changing face of jazz through a wide range of styles and sounds, all suitable for the early-intermediate performer. From the ragtime two-step of Scott Joplin to the bebop innovations of Monk and Charlie Parker, this unique set of pieces provides a valuable early taste of the rigours and joys of playing great jazz!

(Piano Instruction). If you are a pianist who has already developed some ability on your instrument, and have an interest in learning

Where To Download Joy Of Boogie And Blues

about blues and boogie woogie, this book is tailor-made for you. Jazz and swing are also discussed. You'll focus on many aspects of these styles, proceeding slowly at first, then progressing more quickly after the fundamentals have been introduced. Most of the songs and arrangements are at the intermediate level. The online audio features demo tracks, as well as stylistic backing tracks with bass and drums only so you can play along as the soloist. Topics covered include: 12-bar blues * left-hand bass patterns * right-hand licks * turnarounds & endings * swing & dotted rhythms * improvisation * and much more.
