year. Cinema quite simply dominates Indian popular culture, and has for many decades exerted an influence that extends from clothing trends to music tastes to everyday conversations, which are peppered with dialogue quotes. With *House Full*, Lakshmi Srinivas takes readers deep into the moviegoing experience in India, showing us what it 's actually like to line up for a hot ticket and see a movie in a jam-packed theater with more than a thousand seats. Building her account on countless trips to the cinema and hundreds of hours of conversation with film audiences, fans, and industry insiders, Srinivas brings the moviegoing experience to life, revealing a kind of audience that, far from passively consuming the images on the screen, is actively engaged with them. People talk, shout, whistle, cheer; others sing along, mimic, or dance; at times audiences even bring some of the

ritual practices of Hindu worship into the cinema, propitiating the stars onscreen with incense and camphor. The picture Srinivas paints of Indian filmgoing is immersive, fascinating, and deeply empathetic, giving us an unprecedented understanding of the audience ' s lived experience—an aspect of Indian film studies that has been largely overlooked.

just moved from NYC to a creepy small town. He quickly becomes convinced his new neighbour, Hannah, is in danger. But when tries to rescue her, he accidentally unleashes the monsters created and brought to life by her writer father, R.L. Stine!

Eleven-year-old Diana leads an idyllic life on the island of Themyscira. Cut off from the rest of the world, she's beginning to feel a little alone. Though she has a loving mother and many "aunties," she is an only child. In fact, she's the only child on the entire island! After an escapade goes wrong, Diana gets in trouble for not living up to the Amazonian standard. She just can't seem to measure up no matter what she does. Every other person on the island is an adult proficient in their trade and mighty in body, while she is gangly, sometimes clumsy, and not particularly

This book explores some essential features of the Chinese new historical fiction (NHF) and its socio-cultural implications. It argues that the NHF constitutes an oppositional discourse that rejects, both the grand narrative of linear (revolutionary) history, which dominates Chinese official historiography, and naïve confidence in 'Chinese modernity.'
