Written by the American Sport Education Program in conjunction with Matt Lydum and other experts from Hersheys Track & Field Games and USA Track & Field, Coaching Youth Track & Field is the only resource available today aimed at coaches of athletes ages 14 and under. Coaching Youth Track & Field includes activities specifically designed for young track and field athletes and fundamentals of all of the events in track and field (USATF and Hersheys Track and Field Games). Coaching Youth Track & Fields 73 activities and 32 age-specific coaching tips are sure to jump-start your planning and practices and help you overcome any hurdle encountered during the season. Plus, sequenced and specific chapters help you learn, retain, and reference in a flash. Endorsed by USATF and named the official handbook of Hersheys Track & Field Games, this book a must-read as you prepare to meet the challenges and enjoy the rewards of coaching young athletes.

A possible life-saving reference to keep around the house or in the car, DK's First Aid Manual looks at more than 100 different conditions, from splinters and sprained ankles to strokes and unconsciousness, and shows exactly what to do with step-by-step photographic sequences. Every condition is clearly explained, outlining causes, symptoms, and signs, and action plans. The updated design makes the instructions easier to follow, whether you need information on emergency first aid, first aid for babies and children, or tips on resuscitation. This ACEP First Aid Manual is an invaluable resource to keep you and your loved ones safe and healthy.

The First Aid Manual is the UK's only fully authorised first aid guide, endorsed by St John Ambulance, St Andrew's First Aid and the British Red Cross and packed with step-by-step first aid advice. Used as the official training manual for the UK's leading first aid organisations' courses, the bestselling First Aid Manual covers all aspects of first aid, from emergency first aid and first aid for babies and children, to the latest guidelines on resuscitation, helping a drowning casualty, and snake bites. Find out how to treat over 100 different conditions from splinters and sprained ankles to strokes and unresponsiveness and how to use essential equipment including a defibrillator. Step-by-step photography, all shot in-situ to reflect real-life issues, shows you what to do in any situation. The ideal first aid book for you and your family, keep the First Aid Manual handy; it could be a life-saver. (Previous edition ISBN 9781409342007)

Discover the great advantages and benefits of working in the medium film format or with the large digital sensor units in Hasselblad digital cameras and digital backs. Presented in an easily accessible format, this book shows the working and manipulation of the various cameras. Detailed illustrations dissect the equipment and provide insight into the ways in which these superb cameras and lenses are best utilized to create professional quality images. This edition of the Manual will bring you up to date with the latest features available within the popular Hasselblad camera systems emphasizing that camera and lens are the most important tools for creating exciting images whether you work digitally or with film. The complete Hasselblad camera system is discussed by renowned author and Hasselblad insider, Ernst Wildi, who provides a solid foundation of both traditional photography and digital capture techniques. Inside you'll also find inspiring photographs from well-known photographers, illustrating a variety of photographic techniques using a Hasselblad camera.

With over 1 million copies sold worldwide and translated into 29 languages, Dr. Alex Loyd's international bestselling book is a life-changing program that uses energy medicine to heal mental and physical challenges. THE HEALING CODE is your healing kit for life—to roover from the issues you know about, and repair the ones you don't. The book also includes: The Seven Secrets of life, health, and prosperity The 10-second Instant Impact technique for defusing daily stress The Heart Issues Finder, the only test that identifies your source issues in a succinct personalized report. Dr. Alex Loyd discovered how to activate a physical function built into the body that consistently and predictably removes the source of 95% of all illness and disease so that the neuro-immune system takes over its job of healing whatever is wrong with the body. His findings were validated by tests and by the thousands of people from all over the world who have used The Healing Code's system to heal virtually any physical, emotional, or relational issue, as well as realize breakthroughs in success. His testing also revealed that there is a "Universal Healing Code" that will heal most issues for most people. In this book you will get that Universal Healing Code, which takes only minutes to do.

Created in collaboration with the Medical Commission of theInternational Olympic Committee, this new manual distills thelatest advances in sports medicine into clinically relevant,practical guidance on treating sports injuries. Ideal forprimary care physicians, ER physicians, physical therapists,athletic trainers, nurse practitioners, and physician assistants,the book embraces a problem-oriented approach to guide the readerthrough assessment and management of the most common injuries anddisorders. Over 500 full-color illustrations augment thetext, showing readers detailed views of the techniques, proceduresand other clinically-relevant information being described.

Explains how to use the Macintosh video production programs to capture and edit digital videos, apply effects, create DVD menus, and burn DVDs.
