(Piano/Vocal/Guitar Artist Songbook). 27 songs from this Grammy-winning platinum-selling singer/songwriter superstar, including: All Night Long (All Night) \* Ballerina Girl \* Dancing on the Ceiling \* Do It to Me \* Easy \* Endless Love \* Hello \* Lady \* My Love \* Penny Lover \* Running with the Night \* Three Times a Lady \* Truly \* We Are the World \* and more.

First Published in 2002. Routledge is an imprint of Taylor & Francis, an informa company.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

SOUND OF THE CROWD: A DISCOGRAPHY OF THE '80s is the ultimate record collector's guide to the 1980s. In the era of multi-formatting, picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs you could lose down the back of the sofa, this book lists every format of every single, EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts, from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early '80s K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the '80s music website Sound of the Crowd and writer, producer and co-host of the unconventional '80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.

The main section of the Handbook consists of 324 articles providing basic information on American popular songs, including: origin (classical, film musical), foreign influence (Cuba, Czechoslovakia), domestic influence (bluegrass, Motown), dissemination (cabaret, Your Hit Parade), genre (doo-wop, protest song), subject (humor, money), and style (harmony, scat). Also covered are such historical periods as the Depression and the Roaring Twenties and their popular musical expression. The second section lists all songs mentioned in the volume, with annotations as to year of publication, lyricist, composer, type of song, source, salient features, and the articles in which the song is discussed. Annotation copyright by Book News, Inc., Portland, OR

(Easy Piano Songbook). 35 hits from the legendary record company in easy piano arrangements, including: ABC \* Ain't No Mountain High Enough \* Ain't Too Proud to Beg \* Baby Love \* Dancing in the Street \* Endless Love \* How Sweet It Is (To Be Loved by You) \* I Heard It Through the Grapevine \* I'll Be There \* Isn't She Lovely \* Just My Imagination (Running Away with Me) \* Let's Get It On \* My Girl \* Please Mr. Postman \* Stop! In the Name of Love \* Three Times a Lady \* The Tracks of My Tears \* What's Going On \* You Can't Hurry Love \* and many more.

The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century. It covers the major musical styles--concert music, jazz, pop, rock, etc., and such key genres as opera, orchestral music, be-bop, blues, country, etc. Articles on individuals provide biographical information on their life and works, and explore the contribution each has made in the field. Illustrated and fully cross-referenced, the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information. A good first point of reference for students, librarians, and music scholars--as well as for the general reader.

This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons, the immediate post-Hiroshima/Nagasaki period and the Korean War. It also provides an account of US actions and attitudes during this period and China's response.

Motown means different things to different people. The mere mention of perhaps the most iconic record label in history is often enough to invoke memories and mental images of Marvin Gaye, Diana Ross, Stevie Wonder, The Temptations, The Jackson 5, The Supremes and numerous others. With each group recalled, there is an accompanying piece of music of the mind, from Baby Love, My Girl, Signed Sealed Delivered, I Heard It Through The Grapevine, ABC and Tears Of A Clown and countless more. Quite often, you can ask people what kind of music they like and they will simply answer 'Motown', and both they, and you, know exactly what is meant. Or rather, what is implied. The Motown they are invariably thinking of is the label that dominated the charts in the mid 1960s with a succession of radio friendly, dance orientated hits, most of which were written and produced by the trio of Brian Holland, Lamont Dozier and Eddie Holland. This period is referred to, naturally enough, as the Golden Era, when Motown was not only the dominant force in its home city of Detroit but carried The Sound of Young America all around the world. The kind of music that had them Dancing In the Street from Los Angeles to London, Miami to Munich and San Francisco to Sydney. It was the kind of music that attracted scores of imitators; some good, some not so good. The kind of music that appealed to the public and presidents alike, and still does. It was that Motown that this book was intended to be about. However, when you start digging deeper into the Motown story, you realise that throughout its life (which, for the purposes of this book, is its formation in 1959 through to its sale in 1988) it was constantly trying other musical genres, looking to grab hits out of jazz, country, pop, rock, middle of the road and whatever else might be happening at the time. Of course it wasn't particularly successful at some of the other genres, although those who claim Motown never did much in the rock market conveniently overlook the healthy sales figures achieved by Rare Earth, the group, and focus instead on the total sales achieved on Rare Earth, the label. This book, therefore, contains biographies of all 684 artists who had releases on Motown and their various imprints, as well as biographies of 16 musicians, 23 producers, 19 writers and 13 executives. There are also details of the 50 or so labels that Motown owned, licensed to or licensed from. All nine films and the 17 soundtracks are also featured. Every Motown single and album and EP that made the Top Ten of the pop charts in either the US or UK also have their own entries, with 222 singles, 84 albums and five EPs being featured. Finally, there are 36 other entries, covering such topics as the Hollywood Walk of Fame, the Motortown Revues, Grammy Awards and the most played Motown songs on radio. The 1,178 entries cover every aspect of Motown and more - of the link between Granny in The Beverly Hillbillies and Wonder Woman, of the artists from Abbey Tavern Singers to Zulema, and the hits from ABC to You Really Got A Hold On Me. The Motown Encyclopedia is the story of Motown Records; Yesterday, Today, Forever.
