national standards. Arranged into weekly units, the worksheets feature fun activities for fourth grade students such as analogies, homophones, sentence completions, sentence types, inflectional endings, prefixes, suffixes, roots, synonyms, antonyms, and more! The repetitive structure helps students focus on the words rather than the activities and allows for more independent practice. Provide fun, engaging, and purposeful practice for your students with this must-have student workbook that includes digital materials.

Let Your Words Take You Where You Want to Go! The new 2011 edition of *Voyages in English: Grammar and Writing* is the result of decades of research and practice by experts in the field of grammar and writing. Responding to the needs of teachers and students, this new edition provides ample opportunities for practice and review to ensure mastery and improved performance on standardized tests. *Voyages in English 2011* Enables children to master grammar through direct instruction, rigorous practice, written application, and ongoing assessment. Provides master and novice teachers with support and straightforward, practical lesson plans that can be presented with confidence. Guides children to experience, explore, and improve their writing through the in-depth study of unique writing genres, writing-skill lessons, and the implementation of the writing process. Provides children and teachers with opportunities to use technology as a means to learn, assess, apply new skills, and communicate outside of the school setting. Gives children the speaking and writing practice and tools they need to communicate with clarity, accuracy, and ease. New 2011 Features We've taken the best of the past and incorporated learning tools for today's students and the world they live in. More exercises in

component Web Site Web Features For Students Additional opportunities to build and practice grammar and writing skills Grammar and Mechanics Handbook for at-home use Interactive games for more practice Additional writing activities expand learning. For Teachers Tools and support to plan and execute lessons Grammar Guides online resource helps you teach grammar clearly, creatively, and confidently. Video Tools to effectively implement grammar lessons and writing chapters into your classroom. Lesson Plan Charts show how to integrate the grammar and writing sections. Two Core Parts-One Cohesive Program Voyages in English is organized into two distinct parts: grammar and writing. The student books are divided in this way to help teachers tailor lesson plans to student needs and to differentiate instruction. The benefits of this organization include the following:

Grammar lessons have a greater level of depth, giving students the tools needed to learn the structure of language. Writing instruction is relevant to students' lives, to the literature they read and enjoy, and to the writing they experience every day. Integration opportunities are built into the program, allowing teachers to show the relationship between grammar and writing. Flexible planning becomes simple, allowing for adaptations based on students' developmental levels. Long-range and thematic planning is effortless, allowing teachers to cover the required standards.
