Winner of the National Book Critics Circle Award in Fiction Finalist for the 2017 PEN Faulkner Award In this literary masterwork, Louise Erdrich, the bestselling author of the National Book Award-winning *The Round House* and the Pulitzer Prize nominee *The Plague of Doves* wields her breathtaking narrative magic in an emotionally haunting contemporary tale of a tragic accident, a demand for justice, and a profound act of atonement with ancient roots in Native American culture. North Dakota, late summer, 1999. Landreaux Iron stalks a deer along the edge of the property bordering his own. He shoots with easy confidence—but when the buck springs away, Landreaux realizes he’s hit something else, a blur he saw as he squeezed the trigger. When he staggers closer, he realizes he has killed his neighbor’s five-year-old son, Dusty Ravich. The youngest child of his friend and neighbor, Peter Ravich, Dusty was best friends with Landreaux’s five-year-old son, LaRose. The two families have always been close, sharing food, clothing, and rides into town; their children played together despite going to different schools; and Landreaux’s wife, Emmaline, is half sister to Dusty’s mother, Nola. Horrified at what he’s done, the recovered alcoholic turns to an Ojibwe tribe tradition—the sweat lodge—for guidance, and finds a way forward. Following an ancient means of retribution, he and Emmaline will give LaRose to the grieving Peter and Nola. “Our son will be your son now,” they tell them. LaRose is quickly absorbed into his new family. Plagued by thoughts of suicide, Nola dotes on him, keeping her darkness at bay. His fierce, rebellious new “sister,” Maggie, welcomes him as a coconspirator who can ease her volatile

mother ' s terrifying moods. Gradually he ' s allowed shared visits with his birth family, whose sorrow mirrors the Raviches ' own. As the years pass, LaRose becomes the linchpin linking the Irons and the Raviches, and eventually their mutual pain begins to heal. But when a vengeful man with a long-standing grudge against Landreaux begins raising trouble, hurling accusations of a cover-up the day Dusty died, he threatens the tenuous peace that has kept these two fragile families whole. Inspiring and affecting, LaRose is a powerful exploration of loss, justice, and the reparation of the human heart, and an unforgettable, dazzling tour de force from one of America ' s most distinguished literary masters.

Standing on the threshold of the Ravich home, they say, 'Our son will be your son now'. LaRose is quickly absorbed into his new family. Gradually he's allowed visits with his birth family, whose grief for the son and brother they gave away mirrors that of the Raviches. The years pass and LaRose becomes the linchpin that links both families. As the Irons and the Raviches grow ever more entwined, their pain begins to subside. But when a man who nurses a grudge against Landreaux fixates on the idea that there was a cover-up the day Landreaux killed Dusty - and decides to expose this secret - he threatens the fragile peace between the two families...

LaRose by Louise Erdrich | Summary & Analysis Preview: LaRose by Louise Erdrich is a novel about two little boys who are torn from their families and the infinite sorrow that 's left in their wake of their separations. As the repercussions of a tragic hunting accident unfold on a North Dakota reservation from 1999 to 2003, the narrative intermittently reaches back in time as far as 1839 to explore stories from the families ' Ojibwe heritage. Almost two hundred years ' worth of Ojibwe culture, American history, and family drama are brought to bear on the unusual situation of LaRose Iron, a five-year-old who handles an impossible situation with wisdom and grace. The central narrative starts off with a bang: Landreaux Iron, a skilled hunter, has shot his neighbors ' son. The Round House won the National Book Award for fiction. One of the most revered novelists of our time—a brilliant chronicler of Native-American life—Louise Erdrich returns to the territory of her bestselling, Pulitzer Prize finalist *The Plague of Doves* with *The Round House*, transporting readers to the Ojibwe reservation in North Dakota. It is an exquisitely told story of a boy on the cusp of manhood who seeks justice and understanding in the wake of a terrible crime that upends and forever transforms his family. Riveting and suspenseful, arguably the most accessible novel to date from the creator of *Love Medicine*, *The Beet Queen*, and *The Bingo Palace*, Erdrich ' s *The Round House* is a page-turning masterpiece of literary fiction—at once a powerful coming-of-age story, a mystery, and a tender, moving novel of family, history, and culture.

A finalist for the Pulitzer Prize, *The Plague of Doves*—the first part of a loose trilogy that includes the National Book Award-winning *The Round House* and *LaRose*—is a gripping novel about a long-unsolved crime in a small North Dakota town and how, years later, the consequences are still being felt by the community and a nearby Native American reservation. Though generations have passed, the town of Pluto continues to be haunted by the murder of

a farm family. Evelina Harp—part Ojibwe, part white—is an ambitious young girl whose grandfather, a repository of family and tribal history, harbors knowledge of the violent past. And Judge Antone Bazil Coutts, who bears witness, understands the weight of historical injustice better than anyone. Through the distinct and winning voices of three unforgettable narrators, the collective stories of two interwoven communities ultimately come together to reveal a final wrenching truth. Bestselling author Louise Erdrich delves into the fraught waters of historical injustice and the impact of secrets kept too long.

When Irene America discovers that her artist husband, Gil, has been reading her diary, she begins a secret Blue Notebook, stashed securely in a safe-deposit box. There she records the truth about her life and marriage, while turning her Red Diary—hidden where Gil will find it—into a manipulative charade. As Irene and Gil fight to keep up appearances for their three children, their home becomes a place of increasing violence and secrecy. And Irene drifts into alcoholism, moving ever closer to the ultimate destruction of a relationship filled with shadowy need and strange ironies. Alternating between Irene's twin journals and an unflinching third-person narrative, Louise Erdrich's *Shadow Tag* fearlessly explores the complex nature of love, the fluid boundaries of identity, and the anatomy of one family's struggle for survival and redemption.

A New York Times Notable Book of 2017 Louise Erdrich, the New York Times bestselling, National Book Award-winning author of *LaRose* and *The Round House*, paints a startling portrait of a young woman fighting for her life and her unborn child against oppressive forces that manifest in the wake of a cataclysmic event. The world as we know it is ending. Evolution has reversed itself, affecting every living creature on earth. Science cannot stop the world from running backwards, as woman after woman gives birth to infants that appear to be primitive species of humans. Twenty-six-year-old Cedar Hawk Songmaker, adopted daughter of a pair of big-hearted, open-minded Minneapolis liberals, is as disturbed and uncertain as the rest of America around her. But for Cedar, this change is profound and deeply personal. She is four months pregnant. Though she wants to tell the adoptive parents who raised her from infancy, Cedar first feels compelled to find her birth mother, Mary Potts, an Ojibwe living on the reservation, to understand both her and her baby's origins. As Cedar goes back to her own biological beginnings, society around her begins to disintegrate, fueled by a

swelling panic about the end of humanity. There are rumors of martial law, of Congress confining pregnant women. Of a registry, and rewards for those who turn these wanted women in. Flickering through the chaos are signs of increasing repression: a shaken Cedar witnesses a family wrenched apart when police violently drag a mother from her husband and child in a parking lot. The streets of her neighborhood have been renamed with Bible verses. A stranger answers the phone when she calls her adoptive parents, who have vanished without a trace. It will take all Cedar has to avoid the prying eyes of potential informants and keep her baby safe. A chilling dystopian novel both provocative and prescient, *Future Home of the Living God* is a startlingly original work from one of our most acclaimed writers: a moving meditation on female agency, self-determination, biology, and natural rights that speaks to the troubling changes of our time.

Nella riserva di indiani ojibwe, le famiglie di due sorelle si preparano ai festeggiamenti natalizi, quando una tragedia si abbatte su di loro: un giorno, andando a caccia di un cervo di cui ha seguito le tracce per tutta l' estate, il cognato di Peter, Landreaux, vede finalmente sbucare da un bosco la sua preda, spara, ma quando si avvicina scopre di aver ucciso non l' animale ma Dusty, suo nipote. L' uccisione del bambino getta nella disperazione i genitori e pone l' altra coppia davanti a un dilemma: secondo le antiche tradizioni indiane, chi priva una famiglia di un figlio può riparare affidandole un ragazzo equivalente. Chi meglio del figlio dell' assassino potrà alleviare in qualche modo il dolore di Peter e Nola? LaRose viene quindi “ ceduto ” agli zii, nella speranza che questo valga anche a placare ogni sentimento di vendetta.

WINNER OF THE 2021 PULITZER PRIZE FOR FICTION NEW YORK TIMES BESTSELLER WASHINGTON POST, AMAZON, NPR, CBS SUNDAY MORNING, KIRKUS, CHICAGO PUBLIC LIBRARY, AND GOOD HOUSEKEEPING BEST BOOK OF 2020 Based on the extraordinary life of National Book Award-winning author Louise Erdrich ' s grandfather who worked as a night watchman and carried the fight against Native dispossession from rural North Dakota all the way to Washington, D.C., this powerful novel explores themes of love and death with lightness and gravity and unfolds with the elegant prose, sly humor, and depth of feeling of a master craftsman. Thomas Wazhashk is the night watchman at the jewel bearing plant, the first factory located near the Turtle Mountain Reservation in rural North Dakota. He is also a Chippewa Council member who is trying to understand the consequences of a new " emancipation " bill on its way to the floor of the United States Congress. It is 1953 and he and the other council members know the bill isn ' t about freedom; Congress is fed up with Indians. The bill is a " termination " that threatens the rights of Native Americans to their land and their very identity. How can the government abandon treaties made in good faith with Native Americans " for as long as the grasses shall grow, and the rivers run " ? Since graduating high school, Pixie Paranteau has insisted that everyone call her Patrice. Unlike most of the girls on the reservation, Patrice, the class valedictorian, has no desire to wear herself down with a husband and kids. She makes jewel bearings at the plant, a job that barely pays her enough to support her mother and brother. Patrice ' s shameful alcoholic father returns home sporadically to terrorize his wife and children and bully her for money. But Patrice needs every penny to follow her beloved older sister, Vera, who moved to the big city

of Minneapolis. Vera may have disappeared; she hasn't been in touch in months, and is rumored to have had a baby. Determined to find Vera and her child, Patrice makes a fateful trip to Minnesota that introduces her to unexpected forms of exploitation and violence, and endangers her life. Thomas and Patrice live in this impoverished reservation community along with young Chippewa boxer Wood Mountain and his mother Juggie Blue, her niece and Patrice's best friend Valentine, and Stack Barnes, the white high school math teacher and boxing coach who is hopelessly in love with Patrice. In *The Night Watchman*, Louise Erdrich creates a fictional world populated with memorable characters who are forced to grapple with the worst and best impulses of human nature. Illuminating the loves and lives, the desires and ambitions of these characters with compassion, wit, and intelligence, *The Night Watchman* is a majestic work of fiction from this revered cultural treasure.
