Much-Afraid had been in the service of the Chief Shepherd, whose great flocks were pastured down in the Valley of Humiliation. She lived with her friends and fellow workers Mercy and Peace in a tranquil little white cottage in the village of Much-Trembling. She loved her work and desired intensely to please the Chief Shepherd, but happy as she was in most ways, she was conscious of several things which hindered her in her work and caused her much secret distress and shame. Here is the allegorical tale of Much-Afraid, an every-woman searching for guidance from God to lead her to a higher place.

Today's culture and others' views, even those of other Christians, can present a distorted view of God. Some suggest God exudes qualities He does not possess such as being unloving or apathetic toward His creation. In a world where we find people creating God in their own image, studying God's names can remind us that we are created in His. In fact, one of the best ways to know God's true character and grow closer to Him is to study His names. In The Names of God, Melissa Spoelstra leads women on an exploration of the many names of our triune God—from El and Elohim to Yahweh and its many combinations to names such as Abba, Jesus, and Holy Spirit...and many others. As women study the names of God, their ideas about God will become more grounded in what His names tell them, and thus more personal, allowing a greater trust in Him to share the details of their lives. Whether having walked with God for many years or just starting out in a relationship with Him, by the end of this study women will not only know more about God but will know Him better—because through the discovery of God's names, they will discover Him! Components for this six-week Bible study, each available separately, include a Participant Workbook, a Leader Guide, DVD with six 25-minute segments (with closed captioning), and a boxed Leader Kit containing one of each component. A six-week study of the names of God. Inspires women to have a more personal and trusting relationship with God. DVD features dynamic, engaging teaching in six 25-minute segments. Strong, solid Bible study from popular Bible teacher and speaker Melissa Spoelstra.

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.
