la lectura veloz es indispensable. Hoy resulta conveniente invertir media hora diaria para empezar a incrementar estas habilidades, para que; estudiando y practicando dos o tres meses podamos leer el doble, triple o décuplo según el deseo, propósito y objetivos que nos fijemos. Adelante y felicidades por su logro.

"I have always had faith that the best writers will rise to the top, like cream, sooner or later, and will become exactly as well-known as they should be-their work talked about, quoted, taught, performed, filmed, set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves." -Lydia Davis A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own, Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place.

Marco Armiero is Senior Researcher at the Italian National Research Council and Marie Curie Fellow at the Institute of Environmental Sciences and Technologies, Universitat Aut(noma de Barcelona. He has published extensively on-Italian environmental history and edited Views from the South: Environmental Stories from the Mediterranean World. --

Marketing visionary Martin Lindstrom has been on the front line of the branding for over twenty years. In Brandwashed, he turns the spotlight on his own industry, drawing on all he has witnessed behind closed doors, exposing for the first time the full extent of the psychological tricks and traps that companies devise to win our hard-earned money. Lindstrom reveals eye opening details such as how advertisers and marketers target children at an alarmingly young age (starting when they are still in the womb), what heterosexual men really think about when they see sexually provocative advertising, how marketers and retailers stoke the flames of public panic and capitalize on paranoia over diseases, extreme weather events, and food contamination scares. It also presents the first ever evidence to prove how addicted we are to our smartphones, and how certain companies (like the maker of a very popular lip balm), purposely adjust their formulas in order to make their products chemically addictive, and much, much more. Brandwashed is a shocking insider's look at how today's global giants conspire to obscure the truth and manipulate our minds, all in service of persuading us to buy.

With three months remaining of her marriage of convenience, Savannah is ready to say goodbye to her spoiled rich boy of a husband. He's annoying and argumentative and used to always getting his way. Sure, he's hot. And maybe occasionally a little bit sweet. But she doesn't want to stay married to him. Not at all. He needed a wife for a year so he could inherit his grandmother's fortune, and she needed to pay off her family's debts. That's all their marriage has ever been about. So she really needs to stop falling into bed with him.

Bundel opstellen over nonsensliteratuur, bepaalde aspecten daarvan en over het werk van bepaalde auteurs binnen het genre.

This 5-hour free course, Children's perspectives on play, you are asked to put yourself in the place of young children and to think about their view of play and their reasons for playing. When children have personal freedom to choose and make decisions about what and who they want to play with, as well as where they want to play, they are highly self-motivated and active in their engagements with everything around them. In this course you will think about how you listen to children?s perspectives, why it is important and also consider the choices children make about where they play and why.

Take Hold of God's Vision for Your Life. A Life that is GREATER. This companion guide to Steven Furtick's life-changing Greater DVD will help you take the next step—and the ones after that—to follow Jesus's call to do even greater things than He did (John 14:12). Drawn from the powerful book Greater—and designed to be used with the Greater DVD—this user-friendly resource shows you how to apply four “greater”—releasing principles from the prophet Elisha's life: · Burn the Plows: Make a decisive break with your old life. · Digging Ditches: Start small and make practical preparations. · Upon Further Review: Live with the knowledge that faith is never wasted. · Strike the Water: Step out to live the greater life God promises. Each chapter includes a study plan that corresponds with the DVD, discussion questions, space for individual reflection, a Bible study, and suggestions for group leaders. Created to ignite your passion and move you forward, the Greater DVD Participant's Guide will inspire you to reach for the greater life—and show you how to get there. DVD not included.

A bundle of books #1 (PRIMARY TARGET), #2 (PRIMARY COMMAND) and #3 (PRIMARY THREAT) in Jack Mars's Forging of Luke Stone Thriller series. This bundle offers books one, two, and three in one convenient file, with over 200,000 words of reading. In PRIMARY TARGET (Book #1), we see the forging of one of the world's toughest—and most lethal—soldiers: Luke Stone. A 29 year old veteran who has seen enough battle to last a lifetime, Luke is tapped by the Special Response Team, a secretive new FBI agency (led by his mentor Don Morris) to tackle the most high-stake terrorism operations in the world. Luke, still haunted by his wartime past and newly married to an expecting Becca, is dispatched on a mission to Iraq, with his new partner Ed Newsam, to bring in a rogue American contractor. But what begins as a routine mission mushrooms into something much, much bigger. When the President's teenage daughter, kidnapped in Europe, is ransomed by terrorists, Luke may be the only one in the world who can save her before it is too late. In PRIMARY COMMAND (Book #2), elite Delta Force veteran Luke Stone, leads the FBI's Special Response Team on a nail-biting mission to save American hostages from a nuclear submarine. But when all goes wrong, and when the President shocks the world with his reaction, it may fall on Luke's shoulders to save not only the hostages—but the world. In PRIMARY THREAT (Book #3) elite Delta Force veteran Luke Stone leads the FBI's Special Response Team as they respond to a hostage situation on an oil rig in the remote Arctic. Yet what at first seems like a simple terrorist event may, it turns out, be much more. With a Russian master plan unfolding rapidly in the Arctic, Luke may have arrived at the precipice of the next world war. And Luke Stone may just be the only man standing in its way. THE FORGING OF LUKE STONE is an un-putdownable military thriller series, a wild action ride that will leave you turning pages late into the night. It marks the long-anticipated debut of a riveting new series by #1 bestseller Jack Mars, dubbed "one of the best thriller authors" out there.

Christian churches and groups within Anglo-American contexts have increasingly used popular music as a way to connect with young people. This book investigates the relationships between evangelical Christianity and popular music, focusing particularly on electronic dance music in the last twenty years. Author Stella Lau illustrates how electronic dance music is legitimized in evangelical activities by Christians' discourses, and how the discourses challenge the divide between the 'secular' and the 'sacred' in the Western culture. Unlike other existing books on the relationships between music cultures and religion, which predominantly discuss the cultural implications of such phenomenon, Popular Music in Evangelical Youth Culture examines the notion of 'spirituality' in contemporary popular electronic dance music. Lau's emphasis on the sonic qualities of electronic dance music opens the door for future research about the relationships between aural properties of electronic dance music and religious discourses. With three case studies conducted in the cultural hubs of electronic dance music - Bristol, Ibiza and New York - the monograph can also be used as a guidebook for ethnographic research in popular music.
