We have questions. Child-like inquiries. And deep, heavy ones. In more than twenty-five years of writing and ministry, Max Lucado has received thousands of such questions. They come in letters, e-mails, even on Dunkin Donuts napkins. In Max on Life he offers thoughtful answers to more than 170 of the most pressing questions on topics ranging from hope to hurt and from home to the hereafter. Max writes about the role of prayer, the purpose of pain, and the reason for our ultimate hope. He responds to the day-to-day questions—parenting quandaries, financial challenges, difficult relationships—as well as to the profound: Is God really listening? A special addendum includes Max's advice on writing and publishing. Including topical and scriptural indexes and filled with classic Lucado encouragement and insight, Max on Life will quickly become a favorite resource for pastors and ministry leaders as well as new and mature

As politicians, citizens, and families continue the raging national debate on whether it's proper to end human life in the womb, resources like Randy Alcorn's *Prolife Answers to Prochoice Arguments* have proven invaluable. With over 75,000 copies in print, this revised and updated guide offers timely information and inspiration from a "sanctity of life" perspective. Real answers to real questions about abortion appear in logical and concise form. The final chapter -- "Fifty Ways to Help Unborn Babies and Their Mothers"-- is worth the price of this book alone!

How do I turn my life around? Why can't I get ahead? What exactly do I need to do to be happy and content in life? If you're searching for answers to any of these questions-or dozens of others like them-keep going. You won't find them in this book. In fact, you won't find them in any book, because, quite simply, there are no easy answers. You have to work to find them-and the answers are different for each individual. *No Easy Answers* is Barry Mangione's highly personal, profoundly inspirational account of how he transformed his life and went from being depressed, divorced, bankrupt, alcoholic, and on the verge of suicide to being a happy and successful husband, father, artist, and advocate. He offers his story as a source of hope and guidance, not as a step-by-step process or as the answer or secret to happiness. His story is framed around the questions that helped him transform himself and his life. By asking yourself these questions, you can begin to gain the self-awareness you need to achieve self-improvement. Emphasizing honesty, responsibility, and personal empowerment, this book helps you ask the questions with which to begin transforming your own life.

Steven Harrison takes a unique approach to spirituality and social change by rejecting contemporary spirituality and maintaining that the answers are not in self-help books or gurus. He empowers the reader by putting control back in their hands. Grappling with the questions we have about life, Harrison deconstructs the prevailing spiritual, therapeutic, and self-help methods we use to try to change ourselves. By taking this journey of exploration with him, we come face-to-face with the potential for radical transformation.

Imagine being able to sit down with Billy Graham and ask him for advice. In response to thousands of letters, Billy Graham offers guidance and answers to the most-often asked questions about every aspect of life, including relationships, ethics, psychological problems and spirituality.
