Early on, Branson was dismissed by other businesses, and competed with on occasions in an unethical manner (hello Camelot and BA). The thing Virgin and Branson himself has really brought ...

Kaveri is thirty; single; knows seven languages; is an interpreter by profession; has read all the books about men and how to get a date. Yet; she has not been able to figure out the language of love. Since the 'THE ONE GREAT LOVE' of her life has eluded her for thirty years and might never show up; she decides to take matters into her own hands. On her thirtieth birthday; she makes a resolution—love or no love; she is going to lose her virginity. Life; however; has other plans! This is a story of a spirited woman who plunges into a rollercoaster ride filled with ideas; ideals and adventures—each new day competing with yesterday to make her rethink and re-evaluate life and love.

"Much more than just a memoir, this is Richard Branson's own take on his extraordinary life so far - and a definitive business guide that reveals his unique philosophy on commerce, success and life."--Page 4 of cover.

"Oh, screw it, let's do it." That's the philosophy that has allowed Richard Branson, in slightly more than twenty-five years, to spawn so many successful ventures. From the airline business (Virgin Atlantic Airways), to music (Virgin Records and V2), to cola (Virgin Cola), to retail (Virgin Megastores), and nearly a hundred others, ranging from financial services to bridal wear, Branson has a track record second to none. Losing My Virginity is the unusual, frequently outrageous autobiography of one of the great business geniuses of our time. When Richard Branson started his first business, he and his friends decided that "since we're complete virgins at business, let's call it just that: Virgin." Since then, Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Many of Richard Branson's companies--airlines, retailing, and cola are good examples--were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. And in this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Family, friends, fun, and adventure are equally important as business in Branson's life. Losing My Virginity is a portrait of a productive, sane, balanced life, filled with rich and colorful stories: Crash-landing his hot-air balloon in the Algerian desert, yet remaining determined to have another go at being the first to circle the globe Signing the Sex Pistols, Janet Jackson, the Rolling Stones, Boy George, and Phil Collins Fighting back when British Airways took on Virgin Atlantic and successfully suing this pillar of the British business establishment Swimming two miles to safety during a violent storm off the coast of Mexico Selling Virgin Records to save Virgin Atlantic Staging a rescue flight into Baghdad before the start of the Gulf War . . . And much more. Losing My Virginity is the ultimate tale of personal and business survival from a man who combines the business prowess of Bill Gates and the promotional instincts of P. T. Barnum. Also available in the UK from Virgin Publishing, and in Canada from General Publishing, From the Hardcover edition.

Sir Richard Branson's amazing memoir is now updated to include the effect on the Virgin Group of 11 September, his views on the war in Iraq, the rise of Virgin Blue and the flotation of Virgin Mobile. Discover how Virgin is moving into the US domestic flight market and why he set up the charitable body "Virgin Unite". As ever, his thirst for challenge is unquenched. Sir Richard reveals the thrills of the world record attempt with the Virgin Atlantic Global Flyer and taking Virgin to the final frontier as Virgin Galactic are poised for a new era of commercial space travel. Compelling. Brilliant. Revealing. Funny. Inspirational. Extraordinary. Revealing Sir Richard's unique story, his personal philosophy on life, the Virgin brand and business Losing My Virginity is an autobiography without equal.

Atlantic and successfully suing this pillar of the British business establishment - Swimming two miles to safety during a violent storm off the coast of Mexico - Staging a rescue flight into Baghdad before the start of the Gulf War And much more. Losing My Virginity is the ultimate tale of personal and business survival from a man who combines the business prowess of Bill Gates and the promotional instincts of P. T. Barnum.

From a Hackney council estate to the House of Lords, this is the extraordinary story of one of our greatest entrepreneurs. Alan Sugar was born in 1947 and brought up on a council estate in Clapton, in Hackney. As a kid he watched his dad struggle to support the family, never knowing from one week to the next if he'd have a job. It had a huge impact on him, fuelling a drive to succeed that was to earn him a sizeable personal fortune. Now he describes his amazing journey, from schoolboy enterprises like making and selling his own ginger beer to setting up his own company at nineteen; from Amstrad's groundbreaking ventures in hi-fi and computers, which made him the darling of the stock exchange, to the dark days when he nearly lost it all; from his pioneering deal with Rupert Murdoch to his boardroom battles at Tottenham Hotspur FC. In this compelling autobiography, he takes us into the world of The Apprentice, and describes his appointment as advisor to the government and elevation to the peerage. Like the man himself, What You See Is What You Get is forthright, funny and sometimes controversial.

'Branson has a list of achievements unmatched by any other UK businessman. For anyone burning with entrepreneurial zeal, his reminiscences are akin to a sacred text' Mail on Sunday THE NO.1 INTERNATIONAL BESTSELLER The worldwide bestselling autobiography of iconic entrepreneur Sir Richard Branson, with over two million copies sold to date. Much more than a memoir, this is Sir Richard Branson's own take on his extraordinary life so far - and a definitive business guide that reveals his unique philosophy of commerce, success and life. In Losing My Virginity, you'll discover how Virgin grew from a mail-order music business into a path-breaking global brand. From the \$25 million Virgin Earth initiative to the launch of Virgin Galactic, this is a powerful and unique look into the life of an iconic global entrepreneur.

Nervous, inexperienced, confused. For most, losing your virginity is one of life's most significant moments, always to be remembered. Of course, experiences vary, but Laura Carpenter asks: Is there an ideal way to lose it? What would constitute a "positive" experience? What often compels the big step? And, further, what does "going all the way" really mean for young gays and lesbians? In this first comprehensive study of virginity loss, Carpenter teases out the complexities of all things virgin by drawing on interviews with both young men and women who are straight, gay or bisexual. Virginity Lost offers a rare window into one of life's most intimate and significant sexual moments. The stories here are frank, poignant and fascinating as Carpenter presents an array of experiences that run the gamut from triumphant to devastating. Importantly, Carpenter argues that one's experience of virginity loss can have a powerful impact on one's later sexual experiences. Especially at a time of increased debate about sexual abstinence versus safe sex education in public schools, this important volume will provide essential information about the sex lives of young people.

The Virgin Group entrepreneur offers advice, shares his experiences, and discusses business insights collected from his syndicated "New York Times" column.
