Dr. Roger A. Arnold is Professor of Economics at California State University San Marcos, where his fields of specialization include general microeconomic theory and monetary theory. A widely respected authority on economic issues, Dr. Arnold is a regularly featured expert on talk radio discussing the state of the economy.

A complete introduction to basic principles of economics for the two-term course. Also available in micro and macro paperback splits. Balanced presentation of major macro theories, thorough integration of international topics, a unique active learning format, a wealth of interesting real-world applications, and a focus on the economic way of thinking are presented in an interesting and upbeat style so students can understand and appreciate the material. "Fully integrated Internet" features offer hands-on exercises exploring economics on-line. Outstanding exhibits and graphs strategically use color and cause/effect diagrams for maximum student accessibility and understanding. A remarkably student-friendly text with solid theoretical content.

Any suggestions for copywriter or provide generic description of the product to be used for the Internet or non-channel specific applications. NOTE: If you have a book only version for this product, it is imperative that you provide a description that does not include any references to package elements. Ever wonder why you have the number of friends that you do?...If a tax on soda would really reduce obesity?...What is going on with the financial problems in Greece?...or whether a tax rebate is better than a tax bonus? MICROECONOMICS answers these questions and many more. Using intriguing pop culture examples, the Eleventh Edition is revised to include the most comprehensive coverage of the financial and economic crisis available in a principles of Microeconomics text. Self-tests help determine how well you're grasping the concepts, and CourseMate for Microeconomics offers a graphing tutorial, quizzes, videos and more. It's all carefully designed to help you get the best Microeconomics grade possible! Building on the Video Office Hours lectures developed by the author for the Tenth edition, the Eleventh edition features two entirely new video types - Video Questions and Problems and Working with Diagrams. Video Questions and Problems videos walk you through a worked problem, similar to those found at the end of each chapter, providing an ideal study tool for reference as you do homework. Working with Diagrams videos demonstrate key concepts in short (averaging 3-5 minutes) video pieces that can be played and replayed to see how the graphs and other diagrams are built. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Today's economy may be tough, but economics doesn't have to be. Let Roger Arnold's MACROECONOMICS, 12E open up the world of economic analysis. With more detailed coverage of the financial and economic crisis than any other principles text on the market, this inviting book offers innovative and engaging learning features and easy customization. The author weaves memorable examples from pop culture throughout this edition and bolsters reader interest by illustrating the unexpected places macroeconomics occur. Readers see how economic forces link to every day events and form an important part of life 24/7. Coverage of the latest macroeconomic developments and new content reflect today's changing economy and equip readers with a thorough understanding of contemporary macroeconomics. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

With more detailed coverage of the financial and economic crisis than any other principles text on the market, Roger Arnold's PRINCIPLES OF ECONOMICS, 10e, International Edition opens up the world of economic analysis for your students with fun and innovative pedagogy and intriguing examples.

This book focuses on the causes of starvation in general and famines in particular. The traditional analysis of famines is shown to be fundamentally defective, and the author develops an alternative analysis.

The Study Guide reviews key concepts in the chapter, includes review questions and problems, multiple choice, True/False, and Fill in the Blank questions, as well as answer to all of the questions.

Macroeconomics is the first text to truly reflect today 's macroeconomy. In this teachable, coherent book, the author makes complex topics easily understandable for undergraduates and combines innovative treatment of both the short run and the long run with a strong emphasis on problem solving.

Principles of Microeconomics 2e covers the scope and sequence of most introductory microeconomics courses. The text includes many current examples, which are handled in a politically equitable way. The outcome is a balanced approach to the theory and application of economics concepts. The second edition has been thoroughly revised to increase clarity, update data and current event impacts, and incorporate the feedback from many reviewers and adopters. The text and images in this book are grayscale. The first (previous) edition of Principles of Microeconomics via OpenStax is available via ISBN 9781680920093.

Examine microeconomic theory as a way of looking at the world as MICROECONOMICS: AN INTUITIVE APPROACH WITH CALCULUS, 2E builds on the basic economic foundation of individual behavior. Each chapter contains two sections. The A sections introduce concepts using intuition, conversational writing, everyday examples, and graphs with a focus on mathematical counterparts. The B sections then cover the same concepts with precise, accessible mathematical analyses that assume one semester of single-variable calculus. The book offers flexible topical coverage with four distinct paths: a non-game theory path through microeconomics, a path emphasizing game theory, a path emphasizing policy issues, or a path focused on business. Readers can use B sections to explore topics in greater depth. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
