I read this story, first time when I was about twelve years old. I could never forget the story-The t generation next, all grown up and on their own), perhaps the story had moved even farther away from their regular orbit of interest. My intention is to give the essence of the story within 120 pages and with illustrations so that it captures the attention of even twelve year olds. But, I am sure, this story will touch the hearts of all book lovers. The very first testimonial I got for this book is by E mail from Mr. Nick baron, who did the proof reading of the book for me. quote "Hi Dr. Ilango, I just wanted to tell you that i am loving this story. Once it is published please let me know. I definitely want to buy a copy, and I have friends who are interested in Indian culture as well - they will buy copies. Wonderful story - thank you so much for the opportunity to work on this. Best, Nick Unquote I had not known Nick before and it was totally unexpected and one of the very best and the first compliment I have received for the book. I really feel that this story needs to reach across shores and not bound by religious or any other man made limitations or boundaries.
