Revised edition of the authors's Managerial accounting, 2014.

Prepare your MBA students to become successful managers, not just leading accountants, with the proven success of MANAGERIAL ACCOUNTING: AN INTRODUCTION TO CONCEPTS, METHODS AND USES, 11E. This edition effectively balances coverage of concepts, methods, and the uses of managerial accounting with a strong emphasis on management decision-making. Students focus on concepts and managerial uses of financial information, rather than simply perfecting the accounting techniques. This edition combines core managerial accounting concepts with the latest cutting-edge material that is relevant to all managers and decision makers. A continued emphasis on international issues prepares students for today's globalized business environment. This edition also highlights the strategic effects of decisions, ethics, and new management accounting trends to prepare students for the challenges of today's workplace. Numerous realistic examples and application problems help emphasize the skills most critical today including process improvement and integrating financial reporting issues within management decision-making. Students also learn to apply managerial accounting tools to the emerging service sector, government, and nonprofit organizations with new coverage of risk management and internal controls. Select MANAGERIAL ACCOUNTING, 11E to truly prepare your MBA students to be the successful managers they are meant to be. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Garrison - Your guide through the challenging waters of managerial accounting. For centuries, the lighthouse has stood as a beacon of guidance for mariners at sea. More than an aid to navigation, the lighthouse symbolizes safety, permanence, reliability, and the comforts of the familiar. For this reason, we have chosen to illustrate the Canadian eighth edition of Managerial Accounting by Garrison, Chesley, Carroll and Webb with an image that encapsulates the greatest strengths of this market leading text. Garrison is your guide through the challenging waters of managerial accounting. It identifies the three functions managers must perform within their organizations--plan operations, control activities, and make decisions--and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. Managerial Accounting 8ce focuses, now as in the past, on three qualities: Relevance, Balance and Clarity. The authors' steady focus on these core elements has led to tremendous results! As seafarers look to the lighthouse for direction along unfamiliar shore, so too can Garrison act as a compass for students seeking to master this course.

For courses in Financial and Managerial Accounting. This package includes MyAccountingLab®. Expanding on Proven Success with Horngren's Accounting Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. This package includes MyAccountingLab, an online homework, tutorial, and assessment program designed to work with this text to personalize learning and improve results. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts. MyAccountingLab should only be purchased when required by an instructor. Please be sure you have the correct ISBN and Course ID. Instructors, contact your Pearson representative for more information.
