An open, inventively sensual couple, they've indulged every desire. But there are still more surprises to come in a heated romance by bestselling author Megan Maxwell. Jude is waking up to two stunning sights: the hot white sands of the Mexican Caribbean coast and the even hotter Eric Zimmerman. And he's

hers forever. What more can she wish for from a man who's fulfilled every fantasy? The honeymoon isn't over yet. Eric has never felt so intimately close to the woman he loves. Heart, body, and soul, they're made for each other. And with a wife as insatiably kinky as he is, they're ready and willing to try anything. Can it get any better? It can, in ways Eric could only have dreamed of. But hopes and dreams, especially those of family, can be hard won. Because in their almost-perfect, almost-anything-goes love story, Jude and Eric must trust in each other and fight for what they want next--and what they want most. It's a new beginning. Together, against the odds, they are heading for the happy ever after they deserve.

In this international bestselling romance by Megan Maxwell, love is the ultimate forbidden pleasure. Getting stuck in an elevator with a flirtatious and charismatic stranger leaves Jude Flores flustered enough--even before she realizes that he's Eric Zimmerman, the powerful billionaire CEO...and her powerfully sexy new boss. Having arrived in Spain to take over his company's office, Eric is clearly interested in more than business. He notices Jude for her brilliance and talent, but it's her humility that excites him the most. Seduced by Eric's attention, Jude accepts his bold invitation into his private life--a series of secret sensual games designed to open Jude up to a world of pleasure she'd only fantasized about. With each clandestine meeting comes Eric's desire to push further. And before long, Jude is falling--helplessly, willingly, and without inhibition. But as their relationship deepens, Jude begins to wonder what other secrets Eric is hiding behind that sexy smile--and how far she's willing to go to find out.

I hate him... I hate that I fell in love with him, I hate that he didn't love me back, and I hate the fact that I just made a life-altering decision just so I could get the hell away from him. He'd always said that he was unchangeable, heartless, and cold... I really should've believed him...

From Megan Maxwell, the international bestselling author of *Tell Me What You Want*, comes a seductive romance of breaking up, making up, and waking up to a possible second chance. Dropping a handsome billionaire CEO isn't easy, but Jude Flores can't forgive his betrayal. So she's taking the steps she needs to move on--and far away--from her ex-boss, ex-lover, ex-whatever. And a good place to do it is at her father's house in Spain. Eric Zimmerman isn't the kind of man who gives up. Nothing is going to keep him from following the fiery dream girl who's left him a little brokenhearted and a lot frustrated. It turns out Jude is willing to play chase. But if he wants to catch her, it's her rules or nothing. Not only does Eric agree to the demands, but their fantasies are hotter--and more forbidden--than ever before. Until the real world intrudes once again. With the games on hold and reconciliation on the line,

Jude must make a choice: trust in Eric and surrender, or start a new future without him.

When you're in love with the wrong person for the right reasons, anything could happen. Tretch lives in a very small town where everybody's in everybody else's business. Which makes it hard for him to be in love with his straight best friend. For his part, Matt is completely oblivious to the way Tretch feels - and Tretch can't tell whether that makes it better or worse. The problem with living a lie is that the lie can slowly become your life. For Tretch, the problem isn't just with Matt. His family has no idea who he really is and what he's really thinking. The girl at the local bookstore has no clue how off-base her crush on him is. And the guy at school who's a thorn in Tretch's side doesn't realize how close to the truth he's hitting. Tretch has spent a lot of time dancing alone in his room, but now he's got to step outside his comfort zone and into the wider world. Because like love, a true self can rarely be contained. *Anything Could Happen* is a poignant, hard-hitting exploration of love and friendship, a provocative debut that shows that sometimes we have to let things fall apart before we can make them whole again.

Is this the end of us? I found a woman I can't live without. We've been through so much. We've had our set backs. But our love is stronger than ever. We are survivors. But when they take her from me at the altar, right before she is to become my wife, everything breaks. I will do anything to free her. I will do anything to make her mine for good. But is that enough? And what if it's not? Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with. I instantaneously bonded with the heroine and of course Mr. Black. YUM. It's sexy, it's sassy, it's steamy. It's everything. I loved every second of it and was so thrilled to have had such a treat." - Khardine Gray, bestselling romance author "Her words make me ache and yearn for more." - *Dancer in the Dark* "The story is dark and enticing, taking me deeper into a world from which I never want to emerge." - *Lover of Alpha* "Addictive and damaged, their love burns slowly but deeply." - *Heroes and Alphas* "Their chemistry sizzles right from the beginning. He's the gorgeous and dangerous stranger we all need in our life." - *Making Words Up* "Her words made me fall in love. It slayed me!" - *Sizzling Books* "Left my head spinning! I never wanted it to end!" - *Heartbreakers and Heroes*

Can you imagine a future where everyone has given up sleeping? From the creator of the television series *Red Band Society* and author of the international bestseller *The Yellow World* comes this uniquely special novel. What if I could reveal your secrets with just a glance? And what if I could feel with your heart

just by looking at you? And what if --in a single moment-- I could know that we were made for each other? Marcos has just lost his mother, a famous dancer who taught him everything, and he decides that his world can never be the same without her. Just as he is about to make a radical change, a phone call turns his world upside down. Albert Espinosa has a peculiar talent for generating immediate congeniality around him, for shifting people's moods toward the positive and for reconciling them with themselves and the world, when needed. Reviews: «Albert Espinosa lives exclusively in his imagination. He uses it to write, to direct plays and films and to act. His sense of humour is as special as his way of living. An optimism as contagious as a cold.» Teresa Cendrós, *El Periódico* «If there's one ability Espinosa has had in all of his multifactorial creations it's his capacity to stand in other people's shoes. Empathy is his strength.» Núria Escur, *La Vanguardia* «Speaking with Albert teaches me many new things, such as "it is not sad to die" and that what is sad is not living, not to live it all (...). He knows what he's talking about and knows how to tell it, and that's why his works help us to live.» Víctor M. Amela, *La Vanguardia* «Espinosa says what he thinks and feels, taking out any feeling from his closet in the same manner he sticks out his leg. He knows he is alive because of a miracle and that life is a short miracle. How I like this guy. His life, his theatre, his gambles, humour and his courage. There's no one else like him.» Marcos Ordóñez, *El País* «A militant of life, an engineer of art.» Elena Pita, *El Mundo* «Armoured in the face of pessimism, *Everything You and I Could Have Been If We Weren't You and I* shines with the positive outlook that that the author projects on everything he does.» Belén Guinart, *El País* «*Everything You and I Could Have Been If We Weren't You and I* presents a fast, direct, uninhibited, almost gestural style, which is a machine of empathy for the reader and is not devoid of humour.» *El Correo Español*

All Miranda Warfield had ever wanted was to be a wife to a man, not a title, but her marriage to Adrian, Duke of Windmere, had been merely a polite ton alliance for years. Now, miraculously, the tender, loving Adrian of her youth had returned, making her feel like a bride again. But dare she trust their rekindled romance? For why was Adrian suddenly arranging clandestine meetings with his solicitor? And asking her opinions on several marriageable gentlemen of the ton? Did her husband's eyes betray a secret his ardent lips denied...?

An emotional story of love, betrayal, friendship, and family from #1 New York Times bestselling author Maeve Binchy. David Power and Clare O'Brien both grew up dreaming of escape from the battered seaside town of Castlebay, Ireland, but they might as well have had the ocean between them. David is the cherished son of a prosperous doctor, while Clare lives with her large family behind their faltering store, longing for a moment of quiet to study. When they both go to university in Dublin—he as a matter

of course, she on a hard-won scholarship—their worlds collide. They find freedom in each other—until the families, lovers, and secrets they left in Castlebay come back to haunt them... “Laughter and tears, it’s what Binchy does best.”—San Francisco Chronicle Book Review “The Castlebay Maeve Binchy creates is a marvelous place.”—The New York Times Book Review

I don’t belong with her. Born into darkness, life made me a cynic incapable of love. But then Ellie waltzed in. Innocent, optimistic, kind. She’s the opposite of what I deserve. I bought her, but she she stole my heart. Now my business is going up in flames. I have only one chance to make it right. That’s where it happens...something I can never take back. I don’t cheat on her. There’s no one else. It’s worse than that. Much worse. Can we survive this? Praise for Charlotte Byrd “This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with.
