Holly: Men who knit are dead sexy, but this is an odd collection of pictures and patterns. It's almost like adding a dog makes it more manly to be knitting; like dudes can't just knit sweaters and hats for themselves because they want to. The matchy-matchy man and dog bit feels like a gimmick. Knit on, fellas. With or without your dog.

Two hot topics--male knitters and knits for dogs--come together in this one fabulous, fun volume! It's a stand-out-from-the-crowd collection that features strong, colorful, and masculine designs that will appeal to men of all ages...plus companion items for their four-legged friends. The writing is informative, supportive, and humorous; crowd-pleasing images of well-dressed pooches with their sartorially splendid owners add to the entertainment. Geared toward knitters of all levels--but with an emphasis on intermediate and advanced techniques--the projects will wow readers. Imagine a quirky Rasta-inspired hat and a cool matching doggie jacket. Or a classic gray, cabled vest in merino wool and cashmere--one for him and one for Fido. Hit the town in a colorful patchwork pullover; matching saddlebags turn walk time into a fashionable outing. The projects are offered in a wide range of sizes to fit a variety of male and doggie body types--and, as an added feature, there are tips and anecdotes from more than a dozen male knitters.

Women and men of all ages are learning how to knit. Knitters, especially the new ones, enjoy easy-to-make projects that can be completed in a short time. Pets are equally popular in our modern society. Pet owners who often indulge their animals with special treats and accessories will like these easy and quick-to-make designer-quality dog sweaters. These projects can be completed in a weekend, an evening, while watching television, or during an airport layover. They are simple enough to be a first knitting project for a beginning knitter. Design variations and embellishments add the personal touch, and can make each design a more challenging project for an experience knitter. Additionally, the small size of the projects in this book makes them ideal to tuck into a purse or tote bag, so that they can be worked on at odd moments during the day when the knitter finds a few free moments.

What dog lover wouldn't be delighted with a magnificent hand-knitted sweater for Fido--and what knitter wouldn't be proud to create it? Dog sweaters can be made with leftovers from larger projects, and completed in the same time it takes to knit a hat, scarf, or mittens. There are eight basic patterns with variations, plus instructions for sizing up or down, three patterns for hard-to-fit breeds (Pugs, Chihuahuas, Dachshunds), four accessories (a snood, a hat, a kerchief, and a collar), and three home projects (a bed, a blanket, and a toy). Photos of pooches wearing the finished sweaters, plus start-to-finish instructions (including how to measure the dog) ensure a stylish look and a perfect fit.

Presents projects with instructions and color illustrations for twenty-five breeds of knitted stuffed toy canines.

The book Joan Rivers calls "my dog bible," Woof! is the quintessential queer guide for dog lovers, offering a hilarious take on gay dog ownership unlike any other book out there! Author Andrew De Prisco and illustrator Jason O'Malley have created a LGBTQ classic that defines the 28 "breeds" of gay men and recommends which breeds are best for each. From Drag Queen and All-American Boy to Twink, Leatherman, and Log Cabin Queer, every gay man will find advice and hilarity on every page of this award-winning gift book. (For gay men who are not sure of their breed, there is a temperament sorter to help determine their homo DNA.) In addition to being a breed-selection guide for the dog-loving Q-set, Woof! provides no-nonsense information about how to purchase a dog from a breeder, bringing the puppy home, training, caring, and feeding for the dog. It also offers tongue-in-cheek pointers along the lines of choosing the best gay name for the puppy, shopping for extravagant accessories, throwing a gay puppy shower (for the gifts!), hiring the right staff to take care of the puppy, and using the well-cared-for dog as a man magnet. DePrisco, who has been actively involved in the dog world (and gay world) for over two decades, has tapped all his doggy resources to bring readers the most fabulous advice from some of the nation's Top Dog Men, including breeders of Westminster Best in Show winners, world-revered judges, and international canine experts. The chapter "Studs and Bitches: The Secret Sex Lives of Dogs" addresses hot topics such as homosexual dogs, promiscuity in the dog world, and getting unleashed and hooking up at dog parks. In the book's final chapter , "The Rainbow Tour: Stepping Out in Gay Society," the author throws a virtual pride parade of doggy activities, from the über-queer world of dog shows to vacations, gay resorts, and camping (with actual tents!). The true message of the book;beyond the campy humor, wildly funny illustrations, and off-color remarks;rings out from every page: Woof! is for everyone who wants to be the most responsible and devoted dog owners on the planet.

Designed for dog lovers and passionate knitters, this book offers a unique and beautiful collection of sweaters and blankets for dogs only. Brilliantly combining ethnic knitting traditions and a clean, modern sensibility, this guide offers projects for sweaters that dogs can wear with dignity. It includes appealing yet practical canine styles for all knitting skill levels, basic knitting and crocheting patterns, and instructions on sizing patterns for a perfect fit.

After successfully combining their two great loves -- dogs and knitting -- in their bestselling Best In Show books, Sally Muir and Joanna Osborne are back with a new range of knitting patterns for jumpers, accessories and baby items all featuring dog motifs. Dogs on Jumpers pairs simplicity and flexibility with knitwear patterns for men, women, children and babies. There are eighteen featured dog breeds, each with a graph for adult jumpers, alongside 8 additional graphs tailored to child and baby jumpers. Featured breeds include Labrador, Lurcher, Beagle, Dalmatian, Pug, French Bulldog, Golden Retriever, Chihuahua, Springer Spaniel, Staffordshire Bull Terrier, Labradoodle, Jack Russell, Miniature Schnauzer, Whippet, Border Terrier, Border Collie, West Highland Terrier and Dachshund. There are three adult jumper shapes and three child/baby shapes, each with their own master pattern: Woman's neat and boxy Raglan jumper; Woman's long and loose jumper; Man's relaxed jumper; Child's dropped shoulder jumper; Baby's Raglan jumper (suitable for 3 years and under); and an easy Baby cardigan (suitable for 6 months and under). Once you've selected the shape of your jumper, simply choose your dog motif and get knitting! You can even adapt the designs to knit your own dog onto a jumper! Play around with colours and markings, with the position of the dog on the jumper and with the shape of the background -- square, oval or stripe. Among the graphs at the back of the book you'll also find an alphabet graph, so you can either make up your own dog-related phrases, or add your dog's name or initials. With clear patterns for jumpers, accessories (including a hat and scarf), a baby blanket, a dalmatian onesie and even a dog coat, alongside advice on techniques and yarn choice, plus irresistible lifestyle photography from founder of Photodoggy, Ursula Aitchison, this is the perfect book for knitters and dog lovers alike.
