Meet Timmy Failure, the founder, president, and CEO of the best detective agency in town, probably the nation. And his lazy sidekick, Total, a 1,500-pound polar bear.

What happens when two holidays collide? Thirteen days of frighteningly festive fun! Count down the days to see Jack, Sally, and their Halloween Town friends put a spooky spin on Christmas traditions! Jack Skellington is here from Halloween Town. You'll notice his handiwork scattered around. This year, he's decided to play Sandy Claws. But when Halloween creates Christmas . . . you might see a few flaws. From the minds of Tim Burton, Disney Imagineers, and acclaimed artist Jerrod Maruyama comes a picture book celebrating the classic animated film and the Disneyland ride it inspired. Renowned Imagineers Steven Davison and Carolyn Gardner's text turns turtle doves and French hens into floating candles and true-love potions, accompanied by beloved Burton characters painted in a new art style that will appeal to fans of all ages. Adorably spooky and frightfully festive, this tale will get fans of all ages into the holiday spirit!

Provides season-by-season, show-by-show coverage of the American musical, from 1767 to the 1984-85 season, giving a plot synopsis, an idea of the physical production and principal statistics for each show.

Part of the Blackwell Manifestos series, The State of the Novel offers a lively, yet rigorous investigation into the state and future of the contemporary British novel written by an expert in the field. Evaluates the state of the 'serious literary' novel and novel criticism Prominent treatment is paid to the 'internationalization' of the novel in English Offers a manifesto on contemporary fiction from an expert in this field; Dominic Head is best known for his Cambridge Introduction to Modern British Fiction 1950-2000 Establishes the shared interests of contemporary theorists of the novel, cultural commentators, and novel consumers An ideal supplementary text for students and faculty interested in the novel and contemporary fiction

Think you know everything there is to know about Hammer Films, the fabled "Studio that Dripped Blood?" The lowdown on all the imperishable classics of horror, like The Curse of Frankenstein, Horror of Dracula and The Devil Rides Out? What about the company's less blood-curdling back catalog? What about the musicals, comedies and travelogues, the fantasies and historical epics--not to mention the pirate adventures? This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail, including budgets, shooting schedules, publicity and more, along with all the actors, supporting players, writers, directors, producers, composers and technicians. Packed with quotes, behind-the-scenes anecdotes, credit lists and production specifics, this all-inclusive reference work is the last word on this cherished cinematic institution.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
