Microsoft Project User Manual - e13components.com

As far as I know there is no "user manual" as such, user manuals went away several versions ago. In today's world, the "user manual" is an online (or local) database of help topics. For Microsoft Office 2010, you can access it via the ribbon under File/Help/Microsoft Office Help or Getting Started. There are also several public forums, such as this one, that users can ask for help on specific items.
