Can love survive? It's winter, and a bitter chill of desperation has settled over Miki and Hiro. Far from home, the young couple treks through the frozen north, with Akuzu's powerful agents hot on their trail. Miki knows they are determined to tear her and Hiro apart. But she has different plans. With the help of an unlikely ally, Miki and Hiro endure a daring journey, battling freezing conditions and frightening forces just to be together. Miki is certain they can make it, hoping that love really does conquer all.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Is their secret safe? It's autumn, and Miki Yoshida's life is finally settling into a routine. She and Hiro are spending all their time together, and Miki couldn't be happier. There's just one problem. Hiro's breaking all the rules to be with Miki, and the more time they spend together—and the more they fall for each other—the more there is at stake. With jealous Reika on the prowl, Miki knows they can't hide forever.

Miki and Hiro are spending all their time together, but Hiro is breaking all the rules to be with Miki and Miki knows that they can't hide forever, especially with jealous Reika on the prowl.
