"A charming introduction to the thrill of creating something with fabric and thread . . . Great for aspiring sewists of all ages!" (Gretchen Hirsch, author of *Gertie's New Book for Better Sewing*) Sewing is a skill that's both fun and functional, and there's no better way to get started than with jolly Miss Patch! She learns how to thread a needle, cut patterns, and sew a fine seam by hand. With the help of Miss Patch, and the book's many diagrams and amusing drawings, beginning sewists can learn to make a pillow, a bag, a patchwork quilt, an apron, and even simple clothes. Originally published in 1969, this is a timeless introduction to the pleasures of sewing. "Overall, this book was nicely put together and included an introduction to sewing which was perfect for young girls and boys . . . It was creative and fun to look through." —Sweetly Made (Just for You)

A lyrical, beautifully illustrated poem about a baby's birth. In this lyrical poem, author John Sobol brings us his imagined vision of a universal experience, that of being born. As she is born, the baby in this story goes through a time of intense movement and change before she takes her first breath and cries. Warm hands wrap her in a blanket, and she is held in loving arms. She has arrived! Sobol captures the mystery and wonder of the birth experience in this deeply sympathetic tale. Reading this book together will enable children and their parents to celebrate the joy and emotional power of that remarkable moment. Cindy Derby's soft, gentle illustrations beautifully complement the poem. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.3.7 Explain how specific aspects of a text's illustrations contribute to what is conveyed by the words in a story (e.g., create mood, emphasize aspects of a character or setting)

Science has made some incredible things possible. Many medications, technology, and scientific theory are well known, while others remain inventions of the imagination. Through engaging text enhanced by whimsical color illustrations and a fun quiz, readers can discover just how much they know about the history of science.

State birds, flowers, trees, and animals brought to board book form for the youngest Wyoming book lovers. Toddlers will delight in their own state board book filled with rhyming riddles, framed by brightly painted clues that introduce adorable things that make Wyoming so special.

When a group of students wins a trip to New York City, accompanied by their teacher, they aren't sure where to start. Soon enough, they're roaming the city, from the Statue of Liberty to Times Square, from Chinatown to Central Park, in order to discover what makes New York one of the greatest cities on Earth. Structured like the popular song "The Twelve Days of Christmas," Tonya Bolden's text captures the fun and fast-paced spirit of New York, while Gilbert Ford's illustrations embody its dynamic beauty and odd quirks. The book includes a map of all five boroughs of the city highlighting kid-friendly places to see when you visit. UPraise for 12 Days of New York/u "Ford's illustrations, rendered in a variety of media including India ink, gouache, dyes and Photoshop, depict the city in bright, glowing tones that are cartoonlike but manage to capture the essence of the people and places." —Kirkus Reviews "Ford's mixed-media art features chunky India ink outlines and a broad palette that portrays afternoon, twilight, indoor, and outdoor scenes with equal skill... While the venues are recognizable, the adventurous perspectives Ford uses gives them a welcome freshness." —Publishers Weekly "Richly colored cartoon illustrations, with a dialogue bubble here and there for added humor, depict the wide-eyed characters and their surroundings with a fair amount of detail without overwhelming... A jolly jaunt introducing a few classic Big Apple landmarks." —Booklist "Vibrant illustration." —School Library Journal
