"Mila" is an abbreviated form of the Spanish word milagro, meaning "miracle". The novel uses a narrative structure that parallels Mila's increasing comprehension of the English language. At the novel's opening, when Mila is with the dolphins and cannot speak English, the book is written in a different font and more complex wr

The Music of Dolphins - Wikipedia A wonderful book that isn't exactly typical, Music of the Dolphins explores what it is to be human- and what it is to be alive, two concepts which seem rather at odds with each other. Uniquely, the writing style of the book changes throughout, becoming more coherent as Mira learns English and more 'broken' as she becomes more distraught.

A girl raised by dolphins must choose between two worlds in this critically acclaimed novel about what it means to be a human being. A stunning novel about a 'wild girl' who is discovered swimming with the dolphins, and the story of people's attempts to make her truly human. Mila creates headlines around the world when she is rescued from an unpopulated island off the coast of Florida. Now a teenager, she has been raised by dolphins from the age of four. Researchers teach Mila language and music. She learns, too, about rules and expectations, about locked doors and broken promises, disappointment and betrayal. The more Mila finds out what it means to be human, the more deeply she longs for her island home With a highly original narrative style to mirror its plot, this is an unusual, moving and appealing story which stays in the mind long after it is read.

After rescuing an adolescent girl from the sea, researchers learn she has been raised by dolphins and attempt to rehabilitate her to the human world. Records the courage and self-reliance of an Indian girl who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind.

Modern, original fiction for learners of English. It is 2051. CONTROL, the government of Europe, keeps everyone happy in a virtual reality where music made by dolphins gives exquisite pleasure. When Saul Grant, a writer, discovers the truth about the music, the illusion is shattered. He soon sets out to free the dolphins but CONTROL is aware of his actions and will stop him at any cost.

Originally published: Limpfield: Dragon's World, 1996. Tate is overjoyed when a scrawny mutt turns up in the yard one day. She even persuades Mam and Pap to let her keep Sable, named for her dark, silky fur. But before long, the dog begins to cause trouble with the neighbors and Mam and Pap decide the dog must go. But Tate doesn't give up easily . . . and neither does Sable.

François Bernard-Mâche here uses music-related myths and ancient as well as more recent history to show the underlying relationship between musical thought and certain natural laws. Using original analytical techniques, he sheds new light on the history of music, showing the presence of music in the animal world to demonstrate that Nature and culture are not in opposition.

When 12-year-old KT Wynn learns that she has to move from Iowa City to Florida, she's distraught. Not only does she have to leave behind her best friends and the only home she's ever known, she also has to deal with being the new kid in school. And she's especially worried about how her wheelchair, Sprinkles, will affect things. On the bright side, she'll still have her big sister, Lucy, with her, and she'll even get to see a dolphin-her favorite animal!-for the very first time. In fact, KT has always dreamed of swimming with a dolphin, and with the help of her sister, she's determined to make it happen. But when she meets Cola for the first time, he's not what she expected. KT is suddenly afraid, and she's unsure if she can swim with Cola given her disability. Will KT be able to overcome her fear and gain the confidence to take the plunge?
