About Natural Remedy Book For Dogs and Cats. Fifty common pet ailments and the natural methods and remedies optimal to support their treatment are arranged in alphabetical order. The book includes a thorough discussion of several natural healing modalities and how they are used for pets.

The world of veterinary medicine is changing. People are realizing that if alternative medicine is better for them, it's better for their pets, too. Dogs are visiting acupuncturists, chiropractic doctors, and homeopaths. Still, many dog owners are unaware that such simple measures as changing their pet's diet and using vitamins, herbs, and other natural cures can help prevent or heal ailments ranging from excessive scratching to depression to a host of serious diseases. The Veterinarians' Guide to Natural Remedies for Dogs is both an introduction and a guide to the vast world of natural healing methods, treatments, and foods now available for dogs. Author Martin Zucker offers advice from dozens of holistic practitioners and licensed veterinarians, who share their recipes, insights, and "prescriptions." Here dog owners will find information on everything from nutritional supplements to massage therapy, as well as how these treatments can be used alone or in conjunction with traditional medications and surgical techniques.

A comprehensive guide for dog and puppy owners looking for safe and reliable home remedies to the most common canine health problems-- anything from fleas to arthritis. It contains an accessible wealth of information on a full range of natural, herbal, homeopathic nutritional supplements and at home first aid for your pet.

This invaluable resource tells how to use nutrition, minerals, massage, herbs, homeopathy, acupuncture, acupressure, flower essences, and psychic healing for optimal health. Meticulously researched. Fully illustrated. Comprehensive guide to holistic healing methods. Extensive resource directory. Effective ways to reduce veterinary costs.

Herbs for Pets, by herbalists and holistic experts Gregory L. Tilford and Mary L. Wulff, is the bible for all pet owners looking to enhance their companion animals' lives through natural therapies. Now in its second revised edition, Herbs for Pets is an indispensable resource, an exhaustive compendium of medicinal plants and natural remedies that hosts an illustrated tour through Western, ayurvedic, and Chinese herbs that grow in North America, including their holistic applications and contraindications, and alternative approaches to treating a wide range of ailments. Remedies in the book are applicable to dogs and cats, as well as birds, small mammals, and even farm animals.The book is organized into three chapters, the first is dedicated to the "Principles and Practices of Herbalism," discussing the many facets of herbs, concerns about toxicity, basic herbal preparation, the ethical use of herbs, the connection between herbs and diet, and using herbs as dietary supplements.Chapter 2, titled "Materia Medica: An A-Z Guide to Herbs for Animals," is an exhaustive 150-page section presenting color photographs and text about the appearance, habitat and range, cycle and bloom season, parts used, primary medicinal activities, strongest affinities, common uses, availability, propagation and harvest, alternatives and adjuncts, and cautions and comments for 65 different herbs (from Alfalfa to Yucca!). The common uses section is extensive for each herb, discussing the nutrient value, various qualities, and ways in which the herb is used for specific treatments.The third chapter of the book is titled "An Herbal Repertory for Animals: Ailments and Treatments" and details remedies for the following: anxiety, nervousness, and behavioral problems; arthritis and hip dysplasia; cancer; cardiovascular problems; digestive system problems; ear problems; elderly animal care; endocrine system and related problems; epilepsy, convulsions, and seizures; eye problems; first aid, immune system care; mouth and nose problems; parasite-related problems; pregnancy and lactation; skin problems; and urinary problems. The authors share over two dozen herbal remedies for various ailments, from asthma and pneumonia to constipation and eye cleaner. A glossary of over 200 terms is included, as are references and a comprehensive index. .

2000 Winner, Better Health for Life Award, Cat Writer's Association (CWA) When it comes to your dog's or your cat's health, you want the best health care available. But did you know that conventional medicine is not the only answer, or even the best answer? Inside you'll learn from a respected veterinarian how the therapeutic wonders of natural medicine can benefit your dog or cat. This comprehensive guide discusses more than 40 common conditions or diseases that can affect your pet and how they can be treated or improved with natural medicine. Easy to understand and use, with cross-references between conditions and treatments, this informative resource includes: ·An A-Z guide to common health conditions ·An A-Z guide to herbs, vitamins, and supplements ·Dietary recommendations for specific health concerns ·Proven complementary therapies for your pet ·And much, much more! Do your pet a great favor--add this complete reference to your library. You'll both be glad you did. Inside, natural treatments for: ·Allergies ·Obesity ·Cancer ·Kidney Disease ·Arthritis ·Heart Disease ·Feline Leukemia ·Dental Disease ·Ear Infections ·And many more common conditions Praise for Natural Health Bible for Dogs & Cats "Incredibly well thought-out and organized. This bible will serve as an excellent reference for veterinarians and pet owners alike."-L. Phillips Brown, D.V.M., product manager, Inter-Cal Nutraceuticals "A concise overview of common animal conditions and available complementary therapies that will help readers ensure their pets and patients receive the best treatment."-Myrna Milani, D.V.M., author, Preparing for the Loss of Your Pet "This bible is a 'new testament' that may help pet caregivers heal their sick pets."-Alice Villalobos, D.V.M.

A reference guide to common ailments affecting domestic canines and felines features recipes for healthier food, sources of herbal and homeopathic supplies, environmental issues and solutions, and emergency care information.

Fifty common pet ailments and the natural methods and remedies optimal to support their treatment are arranged in alphabetical order. The book includes a thorough discussion of several natural healing modalities and how they are used for pets. The methods of treatment include nutrition, naturopathy, vitamins and minerals, herbs, homeopathy, acupuncture/acupressure, flower essences, and gemstones. Each method is discussed for each of the fifty illnesses. Many people use natural healing for themselves, but wonder how to use it for their dogs and cats. This book is a comprehensive answer to that question. Use it with Diane Stein's books Natural Healing for Dogs and Cats and The Holistic Puppy.

Presenting detailed information on alternative therapies for both dogs and cats, this book is divided into three main parts: diet and natural therapies; recommendations for specific health conditions, such as skin problems or digestive tract problems; and an overview of health maintenance and preventive health, including information about vaccinations, weight control, and caring for the aging pet.

Discusses ways to take care of a pet's health the natural way with holistic herbalism, natural nutrition, and homeopathy

This full-color text and practical clinical reference provides comprehensive information on herbal remedies for both large and small animal species. Key coverage includes clinical uses of medicinal plants, specific information on how to formulate herbal remedies, a systems-based review of plant-based medicine, and in-depth information on the different animal species--dog, cat, avian and exotic, equine, food animal, and poultry.
