The Educational Services Officer, NAVEDTRA 10460-A, and the nonresident training course (NRTC), NAVEDTRA 80460-A, form a self-study training package covering the knowledge required of the men and women of the U.S. Navy and Naval Reserve preparing to serve as an educational services officer. Designed for individual study rather than formal classroom instruction, the training manual (TRAMAN) provides subject matter on various educational programs and benefits and the Navy advancement system.

You're probably thinking this is just another typical study guide. Because we know your time is limited, we've created a product that isn't like most study guides. In 1902 when Lt. Ridley McLean first wrote this "sailor's bible, " he described it as a manual for every person in the naval service. One hundred years later, it continues to serve as a primer for newly enlisted sailors and as a basic reference for all naval personnel--from seaman to admiral. New technology is artfully blended with ancient heritage, facts and figures are augmented by helpful advice, and the mysterious language of the sea is preserved and deciphered in a volume that has served the United States Navy for an entire century. Updated throughout, the book provides the latest Navy ratings, uniforms, ships, aircraft, and weapons as well as current Navy policies on hazing, fraternization, education, and physical fitness, and a completely new chapter explaining the Navy's mission in terms of its rich heritage.
