Aakriti loves Neeraj who is smart, sensible and a passionate lover, Neeraj loves Aakriti who is simple, innocent but very naughty. They together made "A CUTE LOVE STORY "which is completed 42,926 words romantic story of MBA college students set in lucknow. Fun, romance and sensual, the book revolves around the girl Aakriti and also Neeraj who learn the ultimate meaning of honesty, passion, and devotion and changed himself to be a true lover of the girl.Aakriti who after a lot of hard work and struggle ,manages to get into the MBA college founds herself to be attracted towards one of the senior who also started liking her a lot. Neeraj who himself was attracted towards Aakriti and likes her for her simplicity but remains reserved and never approached her. MBA College brought all new experiences for Aakriti, the environment in the hostel, the fun they use to have, different type of people and heavy loads of assignments, placement time, changing attitude of friends. Where on one side it all appears to be very tough to handle and life seems to be very difficult here, on the other hand life became pleasant for her after being friendly with khushi who later becomes her roommate.With time she realizes Neeraj was not serious about her, he behaves in the same way with other students and juniors and there was nothing special about her for him. She was heartbroken but she didn't said anything to him as she realized that he never made any commitment to her and wished him good luck and said bye forever . Where after that Aakriti suffered the pain and agony from being separated by her love. Neeraj realizes that Aakriti really loved him and started missing her. He realized he could not do without her and what he has lost. After the 3rd trimester break when Aakriti came back to lucknow and miss each and every moment in college when she saw him, Neeraj wasn't there for her. Khushi her roommate understands her feelings but didn't want her to live in fantasy and want her to move on. Once when she was sitting in her room someone knocked Aakriti's room and she was shocked after opening the door.Who was there at the door? Is this any how related to her dreams? Did she finally get her love? Will there be the successful ending for this cute love story ? Now a little about me.I am an avid reader of romance and love writing it as well. I have taken part in many of the poem/creative writing programmes in college and got certificates also. I believe the story would definitely fascinate the youngsters and for all other readers it would bring their old memories of college life back.

Sy Levin, a high school teacher beset by alcohol and bad decisions, leaves New York for the Pacific Northwest to start over, imagining that an extraordinary new life awaits him there. Soon after arriving, he realizes that he had fallen for the myth of the West as a place of personal reinvention.

THE NUMBER ONE SUNDAY TIMES BESTSELLER Curated and edited by Adam Kay (author of multi-million bestseller This is Going to Hurt), Dear NHS features 100 household names telling their personal stories of the health service. Contributors include: Paul McCartney, Emilia Clarke, Peter Kay, Stephen Fry, Dawn French, Sir Trevor McDonald, Graham Norton, Sir Michael Palin, Naomie Harris, Ricky Gervais, Sir David Jason, Dame Emma Thompson, Joanna Lumley, Miranda Hart, Dermot O'Leary, Jamie Oliver, Ed Sheeran, David Tennant, Dame Julie Walters, Emma Watson, Malala Yousafzai and many, many more. Amanda's not loving life in her new home town. Her roommate is a weepy hermit, the rock climbing gym is substandard, and she hasn't whipped anyone in months. So when an odd encounter leads her to believe that Derek—the good-looking, sweet-tempered climber every woman wants but no woman gets—is a submissive, she's ready to take control and give him a night to remember. There's something special about Amanda, something that's been calling to Derek ever since he met her, even if he doesn't understand what it is. He's yearning to give her everything she needs, until he finds out that what she needs is for him to submit. Derek is strong, smart, and well-adjusted. Why would he get down on his knees for a woman? And why is he just now realizing that that's what he's always wanted to do? Derek may be new to BDSM, but Amanda's new to relationships. Neither one of them knows whether a Domme with a grudge against the world and a man who's surprised to learn he's a submissive can make love work, but they both know what they want: someone to call Mine.

"In this book with no pictures, the reader has to say every silly word, no matter what"--

In this twisted Lauren Oliver-meets-A.S. King debut, Julian has just eight more lives to burn in order to uncover a brutal secret. In an alternate world startlingly close to our own, humans have nine lives—and they can't wait to use them up. The government has death incentives aimed at controlling overpopulation. As you shed lives, you shed your awkward phases: one death is equal to one physical and mental upgrade. Julian's friends are obsessed with the idea of burning, but Julian is determined to stay on his first life for as long as he can. His mother burned too fast and inflicted a debilitating rebirth sickness on herself. Julian realizes that he's going to have to burn at some point—especially when he becomes a target for Nicholas, the manipulative leader of the Burners, the school's suicide club. And when Julian eventually succumbs, he uncovers suspicious gaps in the rebirth system that may explain exactly why his mother went so far down the rabbit hole years ago. Along with a group of student dissenters, Julian sets out to find answers and is soon on the verge of exposing the greatest conspiracy ever unleashed on the world.

1940, London: An unforgettable novel about the strength of the human spirit in the face of war and the remarkable women who put themselves in danger on the front lines during the Battle of Britain. As a volunteer for the ambulance service, Ruby has the dangerous task of driving along pitch-dark roads during the blackout. With each survivor she pulls from the rubble, she is helping to fight back against the enemy bombers, who leave nothing but destruction in their wake. Assigned to her crew is Joseph, who is unable to fight but will stop at nothing to save innocent lives. Because he is not in uniform, people treat him with suspicion and Ruby becomes determined to protect this brave, compassionate man who has rescued so many, and captured her heart. Even if it means making an unthinkable choice between saving her own life and risking everything for his... 2019: Recently divorced Edi feels lost and alone when she moves to London to start a new life. Until she makes a discovery, hidden beneath a loose floorboard in her attic, that reveals a secret about the people who lived there in the 1940s. As she gradually uncovers a wartime love story full of danger and betrayal, Edi becomes inspired by the heroism of one incredible woman and the legacy that can be left behind by a single act of courage... A sweeping tale of bravery and self-sacrifice that shows that even in the midst of war, hope and love can bloom. Perfect for fans of The Alice Network, The Secret Messenger and The Lost Girls of Paris. Readers love Siobhan Cutham: 'Heartbreaking... Gripping wartime drama... Will have your heart in your mouth.' Ever wondered what might have happened if William the Conqueror had been beaten at Hastings? Or if Harald Hardrada had won at Stamford Bridge? Then here is the perfect set of stories for you. '1066 Turned Upside Down' explores a variety of ways in which the momentous year of 1066 could have played out differently.

"THOUGH AN ARMY BESIEGE ME..." On April 18, 1996 in Guatemala City, a group of masked, armed men entered my house to steal and destroy. They took my youngest son, who was six years old at the time, and his father. They were held for several weeks in exchange for a significant amount of money. Those were days of great pain and suffering, but they were also days in which we really came to know that God Almighty exists, and He is always aware of our heartbeat. We live in a world of sin and injustice, a world that chooses to follow its own course. We suffer the consequences of sin, on both a large and small scale, on a daily basis. No one is exempt. Suffering affords us the opportunity to understand that our intelligence, ability, or power becomes useless, and there is only one way out: to look to the One who overcame the world, the One who does have the power. The way out can seem impossible, but in His time, God always clears a new path. The great things that God did in the life of my family cannot be put away in a drawer, gather dust, and be forgotten. The same God who did great things during those painful days in 1996 can do miracles today in your life, if you will just believe.
