Ollie gets to choose how he wants to feel and what super powers will be best at getting him through his day. We all have lots of emotions or super powers. Ollie teaches us to control which ones we use and when. He teaches us to understand why we feel what we feel so that we can decide if we really want to feel that way or feel something else.

Ollie and his Superpowers - – Ollie & His Superpowers

The Ollie and His Superpowers series is a great vehicle to use to educate, empower and challenge both young and old to think about difficult issues, including bullying, anxiety and other associated concerns. As a Police Officer working in schools, this book has been an invaluable resource to use to develop emotional intelligence, improve self esteem and to assist young people to develop confidence in themselves.

Train to be an Ollie Coach – Ollie & His Superpowers

Ollie Mentor training We recognise that mental health or emotional well-being as we prefer to call it is not just a therapeutic issue – it's an environmental one. Ollie Mentor Training is aimed at anyone and everyone in a child's environment because we recognise that for lasting change to take route in a child, the environment must be conducive to allow the learning to take route and grow.

Mr Wilcox tells Ollie a secret. His feelings - sadness, fear and loneliness - are super powers! But Ollie also has other powers hidden inside him like confidence, bravery and happiness. He must harness these powers to defeat the bullies and help others in need. Ollie is not just a story; it's a whole new and exciting way for kids and adults to be the very best version of themselves.

Ollie and his Super Powers!!!: Amazon.co.uk: Alison Knowles ...

Green Arrow is a fictional superhero who appears in comic books published by DC Comics. Created by Mort Weisinger and designed by George Papp, he first appeared in More Fun Comics #73 in November 1941. His real name is Oliver Jonas Queen, a wealthy businessman and owner of Queen Industries who is also a well-known celebrity in Star City. He uses this position to hide the fact that he is the Arrow.

The Story of a Wannabe Therapy Dog - Part 3 | Life Labs

The Ollie and his Superpowers approach is new concept developed from proven therapeutic models. This new approach is so successful because Ollie is appealing to young children (5-11). Ollies and his Superpowers has been piloted in schools in Oxfordshire and London, in various police forces in the UK and in some hospitals including Great Ormond Street Children's hospital with huge success.
