Paper quilling is the art of taking thin strips of colored paper, rolling them into a coil, pinching them to form a shape and then gluing the shapes together to create paper designs and objects. Quilling is an inexpensive craft that once you try, you'll be tempted to make your next hobby. All you need is paper and glue to make things that are both pretty to look at as well as stunning in design. The best way to get started if you're new to quilling is to find inspiration.

~~Paper Quilling for Beginners—YouTube~~

She uses traditional quilled coil shapes, and has begun adding a looping technique called husking or combing to the mix. Beth's quilling has been featured on the blog several times, but not since 2013 when she shared a quilled snowflake tutorial, so it's high time we check in with her and have a look at recent creations.

~~Exquisite Quilling by Beth Reece~~

Build your paper quilling rolled shape onto a sheet of acetate. It is strong enough to give your glued quilled shapes stability. After the glue has dried, you can pull your quilled piece up off the sheet without damage. Just wash the leftover adhesive from the acetate sheet and reuse for your next project.
