NEW YORK TIMES BESTSELLER * A renowned psychic medium teaches us how to recognize and interpret the life-changing messages from loved ones and spirit guides on the Other Side. "A collection of incredible stories . . . that speak to the universe's endless capacity for magical moments."--Goop Laura Lynne Jackson is a psychic medium and the author of the New York Times bestseller The Light Between Us. She possesses an incredible gift: the ability to communicate with loved ones who have passed, convey messages of love and healing, and impart a greater understanding of our interconnectedness. Though her abilities are exceptional, they are not unique, and that is the message at the core of this book. Understanding "the secret language of the universe" is a gift available to all. As we learn to ask for and recognize signs from the other side, we will start to find meaning where before there was only confusion, and see light in the darkness. We may decide to change paths, push toward love, pursue joy, and engage with life in a whole new way. In Signs, Jackson is able to bring the mystical into the everyday. She relates stories of people who have experienced uncanny revelations and instances of unexplained synchronicity, as well as others drawn from her own experience. There's the lost child who appears to his mother as a deer that approaches her unhesitatingly at a highway rest stop; the name written on a dollar bill that lets a terrified wife know that her husband will be okay; the Elvis Presley song that arrives at the exact moment of Jackson's own father's passing; and many others. This is a book that is inspiring and practical, deeply comforting and wonderfully motivational, in asking us to see beyond ourselves to a more magnificent universal design. Praise for Signs "This stirring guide . . . asserts that anyone can learn to understand messages that are sent from the 'Other Side.' . . . For readers struggling with loss who believe it's possible to communicate with the deceased, this book will console and empower them to look beyond their suffering."--Publishers Weekly "This brilliant book by the renowned psychic medium Laura Lynne Jackson is a guidebook to and translator of the mysterious spiritual language of the universe. Through a series of touching personal stories, Signs teaches us how to discern and understand the myriad spiritual signs in our lives. Laura Lynne's beautiful and compassionate heart shines through every page. This book is both excellent and important, and I highly recommend it to all."--Brian L. Weiss, M.D., author of Many Lives, Many Masters

Astrology is finally getting personal! From the best-selling author of The Secret Language of Birthdays comes a revolution in charting your horoscope based on both the date and time of your birth that makes all other horoscope books irrelevant. With his "Personology" system, Gary Goldschneider has created a unique method which divides each of the twelve signs into five sub-types-such as Aquarius-Pisces Cusp, Pisces I, Pisces II, Pisces III, and Pisces-Aries Cusp- thereby sub-dividing the astrological year into 48 personology periods. The precision this allows is far beyond anything available in any other astrology book and provides a ground-breaking new way for readers to look not only at their own lives, but their interactions with those around them. The book comes packed with easy-to-follow charts covering the sun, eight different planets, and, unique to this book, the rapid fluctuations of the moon for every year from 1900 through 2025. The result is an unprecedented level of precision, as well as a beautifully illustrated volume destined to become the one and only book horoscope readers will treasure for the next twenty years.
