In Principles of Marketing, Fifth European Edition, Kotler, Armstrong, Wong and Saunders again look at the roots of the subject, whilst at the same time introduce fresh perspectives. Reflecting heightened concerns about the environment, this new edition integrates the concept of sustainable marketing, showing how businesses and organisations can balance customers' immediate needs against their long-term interests.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Learn how to create value and gain loyal customers. Today's marketing challenge is to create vibrant, interactive communities of consumers who make products and brands a part of their daily lives. To help readers understand how to create value and gain loyal customers, Principles of Marketing presents fundamental marketing information in a comprehensive format, organized around an innovative customer-value framework. The fourteenth edition includes coverage on sustainability and a focus on marketing in today's challenging economic climate.

A flagship marketing resource that provides an introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills. MyLab Marketing can be packaged with this edition to engage students and allow them to apply their knowledge, strengthen their understanding of key concepts and develop critical decision making skills.
