REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.

Realidades 1 Digital Edition ©2014 provides standards-based instruction that seamlessly integrates vocabulary, grammar, communication, culture, and digital learning. This balanced approach is built upon the principles of backward design with assessment aligned with instruction. The program features many resources for differentiated instruction, including updated Pre-AP® components, that are available in print, on DVD-ROM, or online. The Digital Courseware, realidades.com, offers the newest and most powerful online learning system available in any middle school and high school Spanish program. Realidades 1 contains an introductory section called Para empezar and 9 Temas divided into A and B chapters. Realidades 1 is used effectively in middle and high schools.. Choose the Student Edition format the works for you! Print + Digital: Includes a print Student Edition with 6-year access to realidades.com eText + Digital: Includes the online Student Edition eText with 6-year or 1-year access to realidades.com Standalone Student Edition eText: Includes the online Student Edition eText with 6-year or 1-year license, but the license does not include access to realidades.com or teacher resources

Presents a Spanish language grammar and vocabulary practice workbook to accompany a text book for classes in high school Spanish.

REALIDADES is a Standards-based middle school and high school Spanish program that combines language proficiency and cultural understanding. The program integrates research-based communication strategies, support for differentiated instruction, engaging technology, and a personalized learning management system (realidades.com) to make the program real for today's Spanish students.

Combines the current Practice Workbook and the Guided Practice Workbook into one workbook. Now you have a single workbook for all your students! This workbook provides two levels of support for students. The Guided Practice activities provide step-by-step practice including vocabulary flashcards and folding study sheets, guided grammar practice, and scaffolded support for each chapter's Lectura, Presentación oral, or Presentación escrita. The Core Practice activities feature basic practice for each chapter's new vocabulary and grammar, plus end-of-chapter Crossword Puzzle and Organizer. Looking to move to online workbooks?

This textbook covers all the topics teachers want in an algebra curriculum. The curriculum thoroughly covers all traditional Algebra 1 topics, including work with rational and radical expressions. Optional coverage of proof is also included.

Prentice Hall Mathematics offers comprehensive math content coverage, introduces basic mathematics concepts and skills, and provides numerous opportunities to access basic skills along with abundant remediation and intervention activities.
