Prepare Early...Score Higher Completely revised and small enough to fit in a lab coat pocket, this review of Pediatrics features 500 questions with answers and explanations, including 200 new questions in clinical vignette format. All questions are reviewed by recent USMLE Step 2 test-takers.

The closest you can get to seeing the test before you take it! PreTest Family Medicine is the best question-and-answer review for family medicine questions on the USMLE Step 2 and shelf exams. You will find 500 board-format questions, complete with explanations of both correct and incorrect answers. All questions have been student-tested and reviewed to ensure they truly reflect the exam experience. This high-yield resource is written by an Assistant Professor of Family Medicine who has won excellence in teaching awards every year for the past five years and truly targets what you really need to know.

Prepare Early...Score Higher Completely revised and small enough to fit in a lab coat pocket, this review of Medicine features 500 questions with answers and explanations, including 200 new questions in clinical vignette format. All questions are reviewed by recent USMLE Step 2 test-takers.

The new edition of Physiology: PreTest simulates the USMLE Step 1 test-taking experience by including 100% v style questions and clinical images. A required course at medical schools, it is a core subject area that students need to fully understand. PreTest assesses students' medical knowledge of core basic science topics within a clinical context through multiple-choice clinical-vignette questions. This is helpful now that core basic sciences are taught in an integrated curriculum. To ensure that questions are representative of the style and level of difficulty of the exams, each PreTest book is reviewed by students who either recently passed their shelf/course exam and/or Step 1.

PreTest is the closest you can get to seeing the test before you take it! 500 USMLE-type questions and answers! Great for course review and the USMLE Step 1. Pharmacology PreTest asks the right questions so you'll know the right answers. You'll find 500 clinical-vignette style questions and answers along with complete explanations of correct and incorrect answers. The content has been reviewed by students who recently passed their exams, so you know you are studying the most relevant and up-to-date material possible. No other study guide targets what you really need to know in order to pass like PreTest!

This title provides medical students as well as physicians with a comprehensive and convenient instrument for self-assessment and review within pathology.
