Start your review of *Pride (Shifters, #3)* Write a review. May 09, 2011 Emily May rated it it was ok. Shelves: paranormal-uf, 2011. This is not so much a review as it is a sorrowful, heartfelt complaint that this series is headed straight down a path where I never wanted it to go. I thought Faythe would grow as a person, a woman and a werecat ...

Pride (Shifters #3) Rachel Vincent. One. "Miss Sanders, tell us why you killed your boyfriend.". Fresh irritation swelled in my chest like heartburn, bringing with it the first twinges of a migraine behind my right eye. I turned away from the fall-color panorama visible through windows spanning the south wall of the dining room to stare down the long mahogany table at a much less pleasant sight: Calvin Malone, Alpha of the Appalachian territory.

Pride (Shifters #3) (8)Rachel Vincent. *Pride (Shifters #3)* (8) Bruins weren't rare only because they bred slowly, though that was certainly part of it. The rest of the problem was that like thunderbirds, they could only be born, not made. Being mauled by a bruin would not turn a human into a "werebear.". It would kill him or her.

Pride (Shifters #3) (62) Rachel Vincent. Pride (Shifters #3) (62) She made no response, which I took as consent. Honestly, though, by that point, I would have taken anything short of an outright attack as consent. I made my way to the tabby slowly, giving her time to warn me if she got cold paws. But her eyes didn't leave the plate until I set it on the bare floor between us.

I'm on trial for my life. Falsely accused of infecting my human ex-boyfriend—and killing him to cover up the crime. Infecting a human is one of three capital offenses recognized by the Pride—along with murder and disclosure of our existence to a human. I'm two for three. A goner. Now we've discovered a rogue stray terrorizing the mountainside, hunting a wild teenage tabbycat. It's up to us to find and stop him before a human discovers us. With my lover Marc's help, I think I can protect the vulnerable girl from both the ambitious rogue and the scheming of the territorial council. If I survive my own trial...

"Compelling and edgy, dark and evocative, Stray is a must read! I loved it from beginning to end." —New York Times bestselling author Gena Showalter
STRAY is New York Times bestselling author Rachel Vincent first book in her acclaimed Shifter series. I look like an all-American grad student. But I am a werecat, a shapeshifter, and I live in two worlds. Despite reservations from my family and my Pride, I escaped the pressure to continue my species and carved out a normal life for myself. Until the night a Stray attacked. I'd been warned about Strays—werecats without a Pride—constantly on the lookout for someone like me: attractive, female and fertile. I fought him off, but then learned two of my fellow tabbies had disappeared. This brush with danger was all my Pride needed to summon me back...for my own protection. Yeah, right. But I'm no meek kitty. I'll take on whatever—and whoever—I have to in order to find my friends. Watch out, Strays—'cause I got claws, and I'm not afraid to use them... More Praise: "Well written, fresh, charming, great voice —Buffy meets Cat People. I loved it, and look forward to much more in the future from this talented author." —New York Times bestselling author Heather Graham "Rachel Vincent is a new author that I'm going to be watching." —New York Times bestselling author Kim Harrison "A high-octane plot with characters you can really care about. Vincent is a welcome addition to the genre!" —Kelley Armstrong, author of the Women of the Otherworld series

Collared and controlled, Shifters are outcast from humanity, forced to live in Shifertowns. But waiting within are passions that no collar can contain... Like most Shifters, Liam Morrissey has learned that trusting humans leads to no good. But when beautiful attorney Kim Fraser enters Shifertown alone in order to prove her client's innocence, Liam's alpha nature leaves him no choice but to offer his protection.

Natalia Chase just wants the first family Christmas with her husband and his pride of unruly lion shifter brothers to be perfect. But a simple trip to pick out a Christmas tree turns into a rescue mission when they discover three shifter wolf cubs abandoned in the forest. Between finding the cubs' parents, a surprise Christmas Eve visit from Mama Chase, and Natalia's increasingly difficult pregnancy, will the Chase pride get everything they've asked for from Santa, or will their perfect holiday be a perfect disaster?

In October 1934, the Chinese Communist Army found itself facing annihilation, surrounded by hundreds of thousands of Nationalist soldiers. Rather than surrender, 86,000 Communists embarked on an epic flight to safety. Only thirty were women. Their trek would eventually cover 4,000 miles over 370 days. Under enemy fire they crossed highland swamps, climbed Tibetan peaks, scrambled over chain bridges, and trudged through the sands of the western deserts. Fewer than 10,000 of them would survive, but remarkably all of the women would live to tell the tale. Unbound is an amazing story of love, friendship, and survival written by a new master of adventure narrative.

Complete 5 book series! Contains the first five books of the City Shifters: the Pride series. Follow the five lion shifter Chase brothers on the hunt for true love, as they discover five independent, feisty heroines, evil villains, mysterious pasts, underground fights, family, friends, and happily ever after (times five)!
Thrill of the Chase -- Feisty chef Natalia holds her own against corrupt restaurant managers and loan sharks until alpha Logan Chase purchases her restaurant and saves her life. When she learns Logan is actually a lion shifter, Nat is ready to run for the hills. Will their love affair sizzle, or are they a recipe for disaster?
Chasing Trouble -- Half-medusa Eloise Deacon has two days to rescue a hyena princess or pay back ten grand in ransom money, with no idea how to do either until Benedict Chase bails her out of jail. He even sticks around after she steals his wallet, his clothes, and his heart. But her half-medusa magic could end up freezing them both if Eloise can't figure out who wants her dead.
Storm Chaser -- Leopard shifter Sophia will go round for round with anyone in the illegal underground fights, even Atticus Chase. The only problem is, she doesn't know she's a shifter. Unless she learns to control her leopard, her life is forfeit. With Atticus barely able to control his lion at the thought of losing her, they might not survive to find out what else is hidden in Sophia's mysterious past...
Cut to the Chase -- Wolf alpha Ruby O'Shea fends off the advances of most male shifters, but finds her match in Carter Chase, the quiet lion shifter. She's in charge of her pack, her bar, and her life, but when Carter finally gets her in bed, Ruby's only too willing to give up a little control...
Chasing the Dream -- Isobel survived years of experimentation in a medical lab and losing her mate young, never dreaming that happily ever after was in her cards -- until Edgar Chase rescues her from an auction and helps her dream again.

I know that better than most. Since rejoining the Pride, I've made big decisions and even bigger mistakes: the kind paid for with innocent lives. As the first and only female enforcer, I have plenty to prove to my father, the Pride and myself. And with murdered toms turning up in our territory, I'm working harder than ever, though I always find the energy for a little after-hours recreation with Marc, my partner both on and off duty. But not all my mistakes are behind me. We're beginning to suspect that the dead are connected to a rash of missing human women and that they can all be laid at my feet—two or four, take your pick. And one horrible indiscretion may yet cost me more than I can bear....

An urban fantasy anthology features heroines who combat supernatural adversaries from dragons to demons, in a collection that includes contributions from such authors as Rachel Vincent, Carole Nelson Douglas, and P. N. Elrod.

Alpha lion who is all growl and bite? Defiant human with a broken heart? An enemy out to break them both? Running from a devastating betrayal, Hailey's wound is salted when car trouble strands her in the path of a snarly lion shifter with a chip on his shoulder the size of Pride Rock. She can't decide what's worse--his snarky, human hating attitude, or the fact that her judgement sucks and she is falling in love with the devil in sexy blue jeans. But refusing to trust will cost her more than her future happiness... it could cost her life. Alpha lion Trent has no one but his pride, a group of misfits holding onto control by a claw under his leadership. He doesn't need the complication of a stubborn, mouthy, human woman who looks him in the eye and sets off every instinct to claim. Especially since his uncle is threatening to solve Trent's Hailey problem with violence. For Trent isn't the only one who wants to see all humans kicked out of town and lions back at the top of the food chain. He's just the only one who is starting to change his mind... ..the only one who realizes that the love of a mate is worth fighting, dying, and forgiving for. Savage Pride, Lion Hearts Book 1, is a standalone lion shifter steamy romance. This paranormal with bite is for readers who love enemies to lovers, snarly lion heroes, and sassy not-quite-damsels in distress. Purchase now because you crave an alpha too savage to love. . . unless he's your fated mate.

Stuck in a senseless job, calculating endless facts and figures, I just felt like there had to be more to life. Sure, taking on a new job completely out of my field felt a little rash, but something about it felt so right. Keeping house for four unbelievably hot military men couldn't be that hard. Everything seemed normal enough, but soon I felt myself passionately drawn to my four new temporary housemates: Blake, Hale, Stone and Preston, which is totally out of character for me. How could this be? Before I can question my new reality, it gets turned upside down again. An enemy's shown up at our doorstep. Can I count on my four newfound lovers to find me before it's too late? Mated to the Pride is a fast-burn, suspenseful paranormal reverse harem romance in the Fated Shifter Mates collection.
