Princess Cora is bored with her routines of life, so she asks her fairy godmother to help.

Newbery Medalist Laura Amy Schlitz brings her sorcery to a Victorian gothic thriller — an enthralling, darkly comic tale that would do Dickens proud. The master puppeteer, Gaspare Grisini, is so expert at manipulating his stringed puppets that they appear alive. Clara Wintermute, the only child of a wealthy doctor, is spellbound by Grisini's act and invites him to entertain at her birthday party. Seeing his chance to make a fortune, Grisini accepts and makes a splendidly gaudy entrance with caravan, puppets, and his two orphaned assistants. Lizzie Rose and Parsefall are dazzled by the Wintermute home. Clara seems to have everything they lack — adoring parents, warmth, and plenty to eat. In fact, Clara's life is shadowed by grief, guilt, and secrets. When Clara vanishes that night, suspicion of kidnapping falls upon the puppeteer and, by association, Lizzie Rose and Parsefall. As they seek to puzzle out Clara's whereabouts, Lizzie and Parse uncover Grisini's criminal past and wake up to his evil intentions. Fleeing London, they find themselves caught in a trap set by Grisini's ancient rival, a witch with a deadly inheritance to shed before it's too late. Newbery Medal winner Laura Amy Schlitz's Victorian gothic is a rich banquet of dark comedy, scorching magic, and the brilliant and bewitching storytelling that is her trademark.

Winner of the 2016 Scott O'Dell Award for Historical Fiction A 2016 Association of Jewish Libraries Sydney Taylor Award Winner Winner of the 2016 National Jewish Book Award for Children's and Young Adult Literature Newbery Medalist Laura Amy Schlitz brings her delicious wit and keen eye to early twentieth-century America in a moving yet comedic tour de force. Fourteen-year-old Joan Skraggs, just like the heroines in her beloved novels, yearns for real life and true love. But what hope is there for adventure, beauty, or art on a hardscrabble farm in Pennsylvania where the work never ends? Over the summer of 1911, Joan pours her heart out into her diary as she seeks a new, better life for herself—because maybe, just maybe, a hired girl cleaning and cooking for six dollars a week can become what a farm girl could only dream of—a woman with a future. Newbery Medalist Laura Amy Schlitz relates Joan's journey from the muck of the chicken coop to the comforts of a society household in Baltimore (Electricity! Carpet sweepers! Sending out the laundry!), taking readers on an exploration of feminism and housework; religion and literature; love and loyalty; cats, hats, and bunions.

What would happen to a fairy if she lost her wings and could no longer fly? Flory, a young night fairy no taller than an acorn and still becoming accustomed to her wings — wings as beautiful as those of a luna moth — is about to find out. What she discovers is that the world is very big and very dangerous. But Flory is fierce and willing to do whatever it takes to survive. If that means telling others what to do — like Skuggle, a squirrel ruled by his stomach — so be it. Not every creature, however, is as willing to bend to Flory's demands. Newbery Medal winner Laura Amy Schlitz and world-renowned illustrator and miniaturist Angela Barrett venture into the realm of the illustrated classic — a classic entirely and exquisitely of their making, and a magnificent adventure.

"People throw the word 'classic' about a lot, but A Drowned Maiden's Hair genuinely deserves to become one." — Wall Street Journal Maud Flynn is known at the orphanage for her impertinence, so when the charming Miss Hyacinth and her sister choose Maud to take home with them, the girl is as baffled as

anyone. It seems the sisters need Maud to help stage elaborate séances for bereaved, wealthy patrons. As Maud is drawn deeper into the deception, playing her role as a "secret child," she is torn between her need to please and her growing conscience -- until a shocking betrayal makes clear just how heartless her so-called guardians are. Filled with tantalizing details of turn-of-the-century spiritualism and page-turning suspense, this lively historical novel features a winning heroine whom readers will not soon forget.

A collection of short one-person plays featuring characters, between ten and fifteen years old, who live in or near a thirteenth-century English manor.

Caldecott Award winner Brian Floca gives a heartfelt thank you to the essential workers who keep their cities going during COVID-19 quarantine in this tenderly illustrated picture book. We are here at home now, watching the world through our windows. Outside we see the city we know, but not as we've seen it before. The once hustling and bustling streets are empty. Well, almost empty. Around the city there are still people, some, out and about. These are the people keeping us safe. Keeping us healthy. Keeping our mail and our food delivered. Keeping our grocery stores stocked. Keeping the whole city going. Brian Floca speaks for us all in this stirring homage to all the essential workers who keep the essentials operating so the rest of us can do our part by sheltering in place during the COVID-19 pandemic.

Clara disappears on her birthday. Exceptionally wealthy and exceptionally lonely, she requested that a puppeteer and his two orphan helpers stage a spellbinding show for her in the vast empty house. But then the curtains close and darkness falls ... The puppeteer, Grisini, kidnaps Clara and uses his sinister powers to imprison her body and mind in the form of a marionette. His two young assistants realise what has happened, and all three children find themselves caught up in a terrible struggle for supernatural eminence between Grisini and a dying witch of extraordinary power. The bewitching and brilliant magical adventure *Fire Spell*, published in the USA as *Splendors and Glooms*, was awarded the Newbery Medal Honor and is a New York Times bestseller.

The triple Caldecott winner David Wiesner brings his rich visual imagination and trademark artistry to the graphic novel format in a unique coming-of-age tale that begins underwater. A young mermaid, called Fish Girl, in a boardwalk aquarium has a chance encounter with an ordinary girl. Their growing friendship inspires Fish Girl's longing for freedom, independence, and a life beyond the aquarium tank. Sparkling with humor and brilliantly visualized, Fish Girl's story will resonate with every young person facing the challenges and rewards of growing up.

"A father red-tailed hawk hunts prey for his family in a suburban neighborhood in this thrilling, fierce, and gorgeous nonfiction picture book"--Amazon.
