Selected messages on biblical holiness. Companion volume to Principles of Liberty and Principles of Victory.

Evangelical Christianity in the United States is currently in a dramatic state of change. Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians. The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ. Blending both a prophetic critique with pastoral encouragement, Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith.

Here is an expanded, edited and updated edition of Finney's Views of Sanctification first published in 1840. This new volume includes Finney's Letters on Sanctification which appeared in the Oberlin Evangelist, and also includes articles by two professors who worked with Finney at Aberlin College, James H. Fairchild and Henry Kowles. Principles of Sanctification presents Finney's understanding of what it means to live in proper relationship with the Trinity. The Bethany House book edited by Timothy Smith entitled The Promise of the Spirit includes Finney's sermons on sanctification published prior to 1840; this volume contains messages on the subject which were published during 1840. This book will help the reader to a clearer understanding of the doctrine of sanctification and to Finney's theology.

J. C. Ryle's "Holiness " is a lost treasure, written by one of the great Anglican priests and writers of the nineteenth century. Hendrickson reintroduces this classic text, largely unavailable today, on living a Christ-like life. "Holiness " is considered to be one of the most profound books on discipleship in the English language. Christians have recognized anew the critical importance of discipleship and spiritual formation to the life of the individual believer, the local church and to the Kingdom of God. Ryle's "Holiness " ranks among the core library of teachings on being a disciple of Jesus Christ. In this book, Ryle encourages the reader into a life of holiness, drawn completely from the Bible and not from contemporary books or preachers, or from any of the fads that were popular during his lifetime, much as they are today or in any era. He is writing about personal, or private, holiness, the life we live behind closed doors with our families and closest friends. "I have had a deep conviction for many years that practical holiness and entire self-consecration to God are not sufficiently attended by modern Christians in this country. Politics, controversy, or party-spirit, or worldliness, have eaten out the heart of lively piety in too many of us. The subject of personal godliness has fallen sadly into the background." --"J. C. Ryle "
