proven learning system that integrates pedagogy with concepts and practical applications, making it the perfect learning tool for today ' s students. The book concentrates on the concepts, techniques and practices that are needed to make key financial decisions in an increasingly competitive business environment. Not only does this text provide a strong basis for further studies of Managerial Finance, but it also incorporates a personal finance perspective. The effect is that students gain a greater understanding of finance as a whole and how it affects their day-to-day lives; it answers the question " Why does finance matter to ME? " By providing a balance of managerial and personal finance
