Be Core Ready: Powerful, Effective Steps to Implementing and Achieving the Common Core State Standards is a transformational book for teachers, administrative leaders, literacy coaches, ELL specialists, special educators, media specialists, reading teachers, content area teachers, and families. In a teacher-friendly, conversational style, this book, provides a clear understanding of the most compelling topics emerging from the Common Core State Standards and introduces the groundbreaking 4 Doors to Core Ready approach to solving the questions of what to teach and how to teach it in this new era. The book addresses curriculum, close reading, text complexity, care for ELL and special needs students, meaningful assessment, and the active and meaningful use of technology and literature to help all students meet and exceed the standards.

That version of the 6-8 standards you wish you had Don't spend another minute poring over the standards. Jim Burke has already done the hard work for you with this roadmap of what each standard says, what each standard means, and how precisely to put that standard into practice across English Language Arts, Social Studies, Science, and Technical Subjects. Jim clearly lays out: Grades 6-8 standards side by side with key distinctions Different content-area versions of each standard Explanations of each standard, with student prompts Content to cover, lesson ideas, and instructional techniques Glossary and adaptations for ELL students

"Supplementary phonics program designed to teach phonemic decoding to students who have not yet mastered those skills. The program was originally conceived for students in grades 3-6, but may also be used for students in grades 1 and 3, for lower performing students in upper grades, and for adults learning to read English."--Curriculum Associates website, accessed 5/15/2009.
