This e-book details the most interesting and important characteristics of the automobiles, car maintenance, styling features, car body style, the standard classification of the cars, an history of the automobiles, introduction in the automotive industry, and the traffic code, rules and signs. An automobile, usually called a car (an old word for carriage) or a truck, is a wheeled vehicle that carries its own engine. Older terms include horseless carriage and motor car, with "motor" referring to what is now usually called the engine. It has seats for the driver and, almost without exception, for at least one passenger. The automobile was hailed as an environmental improvement over horses when it was first introduced. Before its introduction, in New York City, over 10,000 tons of manure

SUNDAY TIMES BESTSELLER Some people are born to be a certain thing. And I was a born fighter. At the age of eight, Michael Bisping began his training in martial arts. By the time he was 15, he was fighting in his first no holds barred competition. When he turned professional and joined the UFC he was sure about one thing: only a world championship title would do. A British underdog in the greatest fighting championship on earth, he spent the next decade winning some of the championship's most sensational contests to achieve his dream, becoming the first ever British UFC world champion in 2016. From his boyhood years learning to fight in the gyms of Lancashire to his most shocking clashes in the cage, in *Quitters Never Win* Bisping tells the raw and unfiltered story behind his legendary career for the first time, including his greatest wins, his fiercest rivals and the harrowing injury that forced him into retirement. As audacious, entertaining and as candid as the man himself,
