The Art of the Story-Teller: Large Print By Marie L. Shedlock  
Some day we shall have a science of education comparable to the science of medicine; but even when that day arrives the art of

education will still remain the inspiration and the guide of all wise teachers. The laws that regulate our physical and mental development will be reduced to order; but the impulses which lead each new generation to play its way into possession of all that is best in life will still have to be interpreted for us by the artists who, with the wisdom of years, have not lost the direct vision of children. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

"So you fix broken hearts, do you?" I ask. "Seems a little ironic." Noah Carter is one of the best cardiothoracic doctors in the country. He's incredibly intelligent, funny, kind and he's a beast in the bedroom. He has scars that drizzle down his chest and painful memories of an unforgettable night that plague his every waking hour. Seven years ago, Noah stumbled upon me at the side of a grave and saved me in one of the most compassionate ways another human being can save another. I will always love him for that. Always. He loved me in a way that no man has ever loved me since, and I gave him everything. I gave it all to him until my secrets and lies tore us apart, forcing me to shatter his heart into a thousand little pieces. Seven years ago, he loved me...but now he hates me. And I hate that he hates me. Leaving Noah is my biggest regret in

life - and I have a lot of things that I regret. A lot. I'm Ariel Miller, and this is the story of Noah and Me.

Proven business strategies for operating a profitable and efficient construction firm Written by a successful management researcher, advisor, and educator to construction contractors, The Construction MBA reveals effective operating practices for managing the multiple processes that must work simultaneously to make a construction firm consistently profitable. The methods in the book apply to both general and specialty contracting firms and describe how to grow both the top line and bottom line. This strategic resource explains how to integrate metrics into your business model that allow you to identify and react to critical trends. You'll learn ways to gain the competitive edge by adopting superior processes, speeding up your business cycle, and maximizing client satisfaction. Tips for positioning your firm on the "sweet spot" of the risk-reward curve are also included. Realworld case studies demonstrate the concepts presented in this practical guide. In addition, eight legendary management books are reviewed and their lessons are applied to the construction contracting business. The Construction MBA covers: The new business model Corporate objectives and strategies Work acquisition Operations management Human resources Financial management Technology Good operating practices

perfect journal for you!

After Sir Marmaduke de Chevasse sets his sights on the young Lady Sue, his efforts are thwarted by the arrival of the dashing Richard Lambert. The impending pair become the focal point of the elder's money-grubbing scheme. Set in the seventeenth century, *The Nest of the Sparrowhawk* follows the events within a small Puritan community. One of its members, Sir Marmaduke de Chevasse, is captivated by the young ward, Lady Sue. She is beautiful, charming and popular among both men and women. Yet, Sir Marmaduke's intentions are not pure of heart. He's eager to marry Lady Sue to lay claim to her fortune. When another admirer, Richard Lambert, becomes a viable threat, Sir Marmaduke works to exploit his weakness and destroy their potential relationship. *The Nest of the Sparrowhawk* is influenced by the social and political norms of the time. It's driven by deception, intrigue and personal greed. This is a vibrant account of one man's need to solidify his status by any means necessary. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Nest of the Sparrowhawk* is both modern and readable.

*EXILED* is a gritty tale of crime and revenge that will take you on a frantic chase from the chaotic streets of Mumbai to the bustling city of Nairobi and to the dark lairs of traffickers who ply their evil trade, hidden in plain sight. *The Red Heeled Rebels* is where the thrill of *Kill Bill* meets the wrath of *The Girl with the Dragon Tattoo*.
