Robin Hemley's childhood made a wedgie of his memory, leaving him sore and embarrassed for over forty years. He was the most pitiful kindergartner, the least spirited summer camper, and dateless for prom. In fact, there's nary an event from his youth that couldn't use improvement. If only he could do them all over a few decades later, with an adult's wisdom, perspective, and giant-like height . . . In the spirit of cult film classics like Billy Madison and Wet Hot American Summer, in Do-Over! Hemley reencounters papier-mâché, revisits his childhood home, and finally attends the prom -- bringing readers the thrill of recapturing a misspent youth and discovering what's most important: simple pleasures, second chances, and the forgotten joys of recess.

With a circulating credit currency, a modern national debt, and sophisticated financial markets, England developed a fiscal-military state that instilled fear and facilitated the first industrial revolution. Yet this new system of credit was precarious and prone to accidents, and it depended on trust, public opinion, and ultimately violence.

Ann Rule says, "Kathryn Casey is one of the best true crime writers today"lhigh praise indeed from the author of a host of nonfiction New York Times bestsellers including Green River and The Stranger Beside Me, the story of serial killer Ted Bundy. With Deadly Little Secrets, Casey once again explores the dark side of the Lone Star State, offering a riveting true story of a murderous Texas preacher responsible for the cold-blooded slaying of the mother of his children. Meticulously researched and spellbindingly told, Deadly Little Secrets pulls back the curtain on the horrific crimes of a supposed man of God who was more devoted to the Devil, and it demonstrates why such true crime luminaries as Edgar® Award winner Carleton Stowers and Gregg Olsen are confirmed Kathryn Casey fans. And don't miss Kathryn Casey's latest book, Deliver Us, a riveting account of the brutal murders of young women in the I-45/Texas Killing Fields.

The bestselling author shows how to bring the Christian faith into the workplace. With simple strategies and inspiring insights, Bishop Jakes helps readers understand how to put work in its proper place, recognize their blessings, and fight to take control of their work life. (Christian Religion)

It's A Troll Hunt! When a messenger bat arrives at the RSPCB, boy-werewolf Ulf receives a warning that beasts are in trouble in the wild. Unaware of the danger he is facing, Ulf soon uncovers foul play: A rare colony of trolls is being smoked out from their caves to be used as game in an evil beast-hunting preserve. It's up to Ulf to save the day!

"One icy winter's evening in Budapest, a man runs straight into John Taylor as he walks home through the narrow streets. John falls over into the snow and looks up at the man's face. 'I felt very afraid. Because what I saw was me. My face looking down at me. My mouth saying sorry.' Who is the man, and how will John's life change?"

If you are a developer or DevOps engineer who understands the basics of Cassandra and are ready to take your knowledge to the next level, then this book is for you. An understanding of the essentials of Cassandra is needed.

The night that changed everything!

Most businesses spend far too much of their time and energy struggling to get new customers or hang on to existing ones-even customers who are ultimately more trouble than they're worth. Attracting Perfect Customers invites readers to move beyond the notions that "business is war" and winning market share means "beating" the other guy. The authors outline a simple strategic process for making businesses so highly attractive that perfect customers and clients are naturally drawn right to them. Sound too good to be true? Hall and Brogniez have successfully shown clients how to do it for years, and now they share their secrets. They prove that it is no longer productive or profitable to conduct business using the war-like marketing techniques of targeting customers and outmaneuvering the competition. In fact, these techniques seem antiquated and labor-intensive when compared to the Strategic Attraction Planning process, which requires just five minutes each day and enables any business to easily attract customers that are a perfect fit for their organization-the kind of customers it is a pleasure to serve. Attracting Perfect Customers takes you step by step through the entire strategic attraction process. The authors reveal the six success standards of strategic synchronicity and share simple, fun, and easy-to-follow exercises that can be applied to any organization. They walk you through the process of creating your own personalized Strategic Attraction Plan and provide 21 supportive tips for making any company more attractive to its perfect customers. Attracting Perfect Customerswill take you to a place where there is an abundance of perfect customers and clients with whom you can build strong, satisfying, profitable, and lasting relationships.
