Smiths Detection's threat detection and security screening technology helps to protect people and infrastructure, making the world a safer place.

Download File PDF Secrets Software Debugging Truck Smith Information

About Us | Threat detection and security screening ...

Normal debugging is usually about the logic of the code, but deployment debugging is usually about the interaction between the code and its environment. Even when the root cause is a logic bug, the fact that the software apparently worked on another machine means that the environment is usually involved somehow.
