This best-selling comprehensive book conveys the relevance of sociology by presenting a timely collection of theories, research, and examples -- including its signature first-person accounts that open many chapters. These lived experiences are relevant to students and introduce themes that provide a framework for learning the chapter material. Kendall's vivid and inviting writing style, emphasis on applications, and eye for compelling current examples further highlight sociology's relevance to all students. Now in its eleventh edition, SOCIOLOGY IN OUR TIMES is acclaimed for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. This edition focuses more on social/global change and on the contemporary world, presenting such current debates as bullying and social media abuse, digital-age methods to increase school attendance, food trucks and the spread of culture, modern slavery, and weight bias. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Study more effectively and improve your performance at exam time with this comprehensive guide. Written to work hand-in hand with SOCIOLOGY IN OUR TIMES, 8th Edition, this user-friendly guide includes a wide variety of learning tools to help you master the key concepts of the course.

Current and relevant to today's students, SOCIOLOGY IN OUR TIMES: THE ESSENTIALS, 10th Edition presents the latest available data and new insights on behaviors, issues, and trends in our nation and world from a sociological perspective. The new edition of this bestselling text emphasizes the theme of social change and the ways in which media-particularly social media-and other forms of technology inevitably bring about new ways of living, interacting with others, or doing certain activities or task. New sections on social change have been added throughout the book, and the theme also appears in the "Sociology Works!" and "Media" features. "Sociology and Social Policy" boxes return to this edition, examining issues such as gun control, prevention of military suicides, and whether employers should be allowed to "spy" on their employees. First-person accounts of individuals' lived experiences draw students into the chapter content by illuminating topics that reflect the text's primary themes of diversity, the application of sociology to everyday life, global comparisons, media, and social change. New timely topics include environmental activism, immigration, bullying and social media, and same-

sex marriage. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This best-selling comprehensive book conveys the relevance of sociology by including a timely collection of theories, research, and examples--including its signature first-person accounts that open chapters. Experiences represented in these opening vignettes accurately mirror the richness and complexity of society, while also establishing the themes that are carried throughout the chapters. Author Diana Kendall's vivid, inviting writing style, emphasis on applications, eye for the most compelling current examples, and use of assignable photo essays and companion videos engage readers and further highlight sociology's relevance to all students. Now in its Ninth Edition, SOCIOLOGY IN OUR TIMES is acclaimed in the field for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This cutting-edge, applied book highlights the relevance of sociology by including a diverse collection of theories, research, and "lived experiences" that accurately mirror the diversity in society itself. The author's vivid, applied, personal writing style engages students, and activates compelling everyday examples that make sociology particularly relevant to diverse students. A social issue or application opens each chapter and provides various topics for boxes, features, and examples that are carried throughout the entire chapter. Kendall's text is acclaimed in the field for being the first textbook to integrate race, class, and gender issues; as well as for its thorough presentation of sociological theory, which includes diverse theoretical viewpoints such as feminist and postmodernist theory. Kendall shows students that sociology involves important questions and issues that they confront both personally and vicariously.

The latest edition of SOCIOLOGY IN OUR TIMES: THE ESSENTIALS, International Edition builds on the best of this popular text's previous editions while offering new chapter-opening first-person accounts of individuals' lived experience and significantly updated coverage, learning tools, and opportunities for students to apply what they learn and make a difference in their own communities. Compelling examples, a vivid writing style, and chapter themes grounded in social issues already familiar to students hold students' interest and engage their sociological imaginations as they learn the concepts, theories, and research that comprise sociology today. A vibrant new interior design and an exciting collection of new videos with assignable activities complement the text's new coverage of timely topics such as health care legislation, the U.S. and global economies, Barack Obama's presidency, and the BP oil spill in the Gulf of Mexico.

Acclaimed for being the first sociology textbook to integrate race, class, and gender issues, this best-selling text emphasizes applications and highlights sociology's relevance by including timely theories, research, and examples.

"Sociology in Our Times is a popular introductory sociology text used at both colleges and universities. Sociology in Our Times systematically frames each chapter in the text with each of the five main theoretical perspectives: functionalist, conflict, feminist, symbolic interactionist, and postmodernist."--
