Sippy is a comic based on real-life moments of the author and her boyfriend. At the beginning, I thought the characters were too happy and having not problems. When I was in the middle of the story, then things started to happen. It's normal life. It has fights, problems and love. The word that describes this comic is: cute.

~~Sippy by Philippa Rice - Goodreads~~

The wildly popular web comic SOPPY--with more than half a million notes on Tumblr--is the illustrated love story of author Philippa Rice and her real-life boyfriend. True love isn't always about the big romantic gestures. Sometimes it's about sympathizing with someone whose tea has gone cold or reading together and sharing a quilt.

~~Sippy (Philippa Rice) - Love Someone (Jason Mraz)~~

Philippa Rice follows up her love story Sippy with a new chapter chronicling the couple's first foray into parenthood in Baby. The volume reads like a collection of newspaper dailies, with minimalist but vibrant art. The pages break down the experience of being a new parent into snapshots of moments.

~~Baby: A Sippy Story by Philippa Rice~~

A Sippy Story. This is my follow up book to Sippy. If you haven't already guessed, it's all about me and Luke and having our first baby together. Lots of moments from my real life, pregnancy, childbirth and looking after a newborn. Published in North America by Andrews McMeel. Published in the UK by Square Peg.

Sippy: A Love Story is a cute, snapshot-style look into the lives of a young British couple. With no overarching narrative, its goal is to capture the little everyday moments of being in love. It can be a little cheesy, but with "sippy" (UK slang for sentimental) right in the title, you can't claim not to be forewarned, and on the whole it's sweet and made me smile.

Tackle life, love, and everyday moments with this endearing, utterly adorable, interactive journal from the fantastically popular Sippy comic. Capture something meaningful every day. Philippa Rice's enchanting Sippy comic is now a guided journal for two to complete. It's all about documenting your relationship, your feelings, and your lives together. You can fill it in in order or skip ahead and complete any page you like. You can write or draw your answers. If you both want to complete the same page, use different colored pens. Keep this book around and fill it in every once in a while. By documenting the small moments in your life, you can appreciate them more. In this book, you can capture a time in your life that you can look back on in the future and remember how it all felt. The prompts and Sippy comics throughout this book will inspire journal writers with thoughtful questions and interactive content, such as "Sketch your facial expression for that day;" "Check off whether the day was 'stressful,' 'productive,' 'gloomy,' or 'different';" "Rank your three favorite things;" and "Let's never forget." Philippa Rice is a multi-talented artist who creates simple but beautiful comics about the everyday joys of living with someone you love.--Bored Panda

Baby: A Sippy Story is a collection of comics by New York Times bestselling graphic novelist Philippa Rice, based on real-life moments with her baby. It is a collection about the small, intimate, heartwarming experiences of a couple expecting their first baby. From planning, to pregnancy, to childbirth and raising a newborn, Baby focuses on the everyday moments of parenthood. Easily read between nap times, it is the perfect gift for new or expectant parents.

"An instant classic.... With echoes of Scout Finch, the feisty Menuchah guides readers on an unforgettable journey." --Leah Vincent, author of Cut Me Loose. In this tender and hilarious memoir of an ultraorthodox girlhood, Judy Brown reveals a closed world, a loving family, a troubled brother, and the lore and faith that have sustained her people for generations. But what happens when a young woman in this community

starts asking questions: Why isn't she supposed to talk to gentiles? Why should a nice girl never wear denim? And if God performed all those miracles in the desert, why can't He cure her brother of his strange and frightening affliction? With warmth, honesty, and razor-sharp humor, Judy Brown tells the story of a family whose faith and fierce love for each other pulls them through their darkest time.

. . . I wanted you more than you'll ever know, so I sent love to follow wherever you go. . . . Love is the greatest gift we have to give our children. It's the one thing they can carry with them each and every day. If love could take shape it might look something like these heartfelt words and images from the inimitable Nancy Tillman. *Wherever You Are* is a book to share with your loved ones, no matter how near or far, young or old, they are.

After meeting at their private school in New York, fifteen-year-old Jeremiah, who is black and whose parents are separated, and Ellie, who is white and whose mother has twice abandoned her, fall in love and then try to cope with people's reactions.

*Sister BFFs* follows a pair of sisters who are not quite adults, but trying desperately to act like them. From job searches to embarrassing encounters with former crushes, these twenty-something sisters navigate the ups, downs, and in-betweens of early adulthood – together. Loosely based on the author's own life, *Sister BFFs* celebrates the complicated love-hate relationship between sisters to hilarious effect. They tease and trick each other but always stay loyal.

On a beautiful beach on the big island of Hawaii, a faint cry drives a brave young woman to put her life in danger to save a young boy's life. A split second decision and Shannon Dunbar's life was irrevocably changed. Lieutenant Simone Moreau never thought a routine training ride with her paramedics would make a difference in her life. She was unprepared for the overwhelming feelings that she had for the injured young woman. An unplanned meeting and the events of that day would set in motion a romance so compelling that it would force both women to make very hard decisions if they were to ever be together. Would Simone and Shannon's romance survive the normal growing pains of a new relationship, let alone a frightening rescue that Simone would face a year later? While Shannon waits terrified for her lover and partner to return, would the fate that brought them together tear them apart?

Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow. Look for *CROSSED*, the sequel to *MATCHED*, in Fall 2011! [Watch a Video](#)
