snake-cult that waits in the shadows. Yet Mazael's darkest enemy waits elsewhere. Within his own tainted soul ... "Back cover.

THE BURNING LEGION HAS COME. Led by the mighty Archimonde, scores of demonic soldiers now march across the lands of Kalimdor, leaving a trail of death and devastation in their wake. At the heart of the fiery invasion stands the mystic Well of Eternity -- once the source of the night elves' arcane power. But now the Well's energies have been defiled and twisted, for Queen Azshara and her Highborne will stop at nothing to commune with their newfound god: the fiery Lord of the Burning Legion...Sargeras. The night elf defenders, led by the young druid, Malfurion Stormrage, and the wizard, Krasus, fight a desperate battle to hold back the Legion's terrible onslaught. Though only embers of hope remain, an ancient power has risen to aid the world in its darkest hour. The dragons -- led by the powerful Aspect, Neltharion -- have forged a weapon of incalculable power: the Dragon Soul, an artifact capable of driving the Legion from the world forever. But its use may cost far more than any could have foreseen. The second novel in an original trilogy of magic, warfare, and heroism based on the bestselling, award-winning electronic game series from Blizzard Entertainment.

My name is Nadia Moran, and I am a thief and a wizard bound in service to the cruel Elven noble Morvilind. If I don't follow Morvilind's bidding, my brother will die. But there are more dangers in the world than Morvilind. When rebel Elves launch an assault upon the High Queen, I'm caught between the rebels and Morvilind's implacable demands. And when a mad elven wizard comes to the High King's court, Ridmark finds himself fighting not only for his own life, but for the lives of his family. For the quest of the Seven Swords has begun...

My name is Nadia, and I'm an errand girl. Except my boss is the High Queen of the Elves. And my errands for her involve spying on people. Or stealing things. Or hunting down monsters. Or, on occasion, killing people. But this time she wants me to solve a murder. And unless I find the killer, I'm going to be his next target...because dragons never forgive a murder.

I want freedom, and I want power. Unfortunately for me, I have little enough of either. To make matters worse, my baby brother Russell is dying of a rare magical disease, and the only one who can cure him is the cruel Elven archmage Morvilind. And if that wasn't bad enough, Morvilind demands a steep price for his cures. Specifically, he wants me to steal treasures for him, and this time he's sent me to steal a priceless relic from the ambassador of the frost giants. And the frost giants never forget a grudge...

Empire and kill Caina...

The High Queen of the Elves has conquered Earth, but I don't care about that. I don't care about the High Queen, or the Rebels seeking to overthrow her. All I care about is getting my baby brother the treatments he needs to recover from his potentially fatal disease...and those treatments have a steep price. Fortunately, I have magic of my own, and I'm a very, very good thief. Unfortunately, the powerful Elven lord Morvilind has a hold over me. If I don't follow his commands, my brother is going to die. Of course, given how dangerous Morvilind's missions are, I might not live long enough to see my brother's death...
