2021 Subaru WRX STI delivers an engaging performance car experience

With 100,000 miles and thousands owed in parking tickets and taxes, the Focus and its turbo-charged engine wasn't worth ... Kevin bought a brand-new Subaru Impreza WRX. He was 26.

Few cars in modern times have caused as much of a stir as the turbocharged Subaru Impreza. It came from nowhere at the start of the 1990s to claim three successive World Rally Championships for its makers in the middle of that decade, and went on to become an enthusiasts' car thanks to its affordability, high performance - and, of course, the glorious exhaust note of its unusual flat-four 'boxer' engine. This book examines the three generations of Subaru Impreza WRX and WRX STI from 1992 - 2012, including how the roadgoing cars were developed from the successful rally models, production history and specification details.

## Read Book Subaru Impreza Engine Specs

Topics covered include: History of the Impreza, and early days in competition with the Leone and the Legacy models. Construction and derivatives of the distinctive flat-four engine. Innovations in the Impreza's four-wheel-drive system. Design and specifications for special editions. Includes material from Prodrive on their limited edition models. Examines both rally and roadgoing cars.

8 1/2 x 11, Color on cover only, 300 b/w photos The number one engine modification that sport compact enthusiasts want is the addition of some form of forced induction. Sport Compact Turbos & Blowers is an enthusiast's guide to understanding, installing, and using turbochargers and superchargers on sport compact cars. Included is information on blower basics, how blowers work, roots blowers, screw-type superchargers, centrifugal superchargers, an analysis of turbocharging vs. supercharging, turbo systems for sport compacts, building a blown/turbo'd sport compact engine, and blower/turbo accessories. All the information readers need to make their sport compact car the hottest on the street is found right here.

Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market. "Dr. Phil," along with George Iny and the Editors of the Automobile Protection Association, pull no punches.

Perceived as a replacement for the long running Leone, the Impreza quickly gained a great reputation through Subaru's successful WRC program. This book covers the full story of the Impreza, from concept through to the current production car, looking at the rally machines

down. And to make sure you receive compensation where it's due, Lemon-Aid's unique secret warranties round-up covers manufacturer extended warranties for performance defects. Lemon-Aid is an essential guide for careful buyers and long-time gearheads (who may not know as much as they think).

The Subaru Impreza first appeared on the World Rally scene in 1993, taking a hat-trick of World Rally Manufacturers' Championships, in 1995, 1996 and 1997. The drivers the likes of Marku Alen, Ari Vatanen, and Colin McRae have competed in the World Rally Championship in Imprezas and all went on to winning the World Rally Drivers' Championship in Imprezas. These cars continued to compete on the World Rally stage until the end of 2008, when the Subaru World Rally Team unfortunately withdrew from rallying. This brand new Haynes Manual covers one of the most iconic rally cars in recent years, and does so in perfect detail. People that love the Impreza, really love the Impreza, so get the full facts and specs now!
