thought leader, and founder of MOSAIC in Los Angeles, pens a manifesto for human creativity and the beginning of a new renaissance. McManus not only calls us to reclaim our creative essence but reveals how we can craft our lives into a work of art. There are no shortcuts to quality, and McManus celebrates the spiritual process that can help us discover our true selves. McManus demonstrates that we all carry within us the essence of an artist. We all need to create, to be a part of a process that brings to the world something beautiful, good, and true, in order to allow our souls to come to life. It's not only the quality of the ingredients we use to build our lives that matter, but the care we bring to the process itself. Just like baking artisan bread, it's a process that's crafted over time. And God has something to say about how we craft our lives. With poignant, inspirational stories and insights from art, life, history, and scripture interspersed throughout, McManus walks readers through the process of crafting a life of beauty and wonder.

Warning: This book may not be for you! This book is dangerous! It is only for those who are ready to join an uprising?a revolution of the soul that will change an ordinary life into an extraordinary one. It is only for those who want something more out of life, who desire to tap into the divine potential that was placed in them at their creation. You were in God's imagination before you were ever born. All the talent, gifting, and creativity you possess was placed in you by God Himself. Can you imagine the things you could do, the impact you could have on the world, if you tapped into the dreams God has for your life? In *Uprising: A Revolution of the Soul*, Erwin Raphael McManus boldly invites you to join the revolution. He illuminates the desperate heart cry of every human being?"I want to live!"?and then serves as a guide on a quest to answer that cry. Find your true purpose and destiny in the pursuit of the passion and character of God. Be a part of a revolution that changes a life of imitation and mediocrity into one of passion and character . . . a radical revolt that will forever change the world!

A best-selling author, pastor, futurist, and cultural thought leader argues that to experience and establish inner peace, we must first confront the battles that rage within. Your longings for inner peace and deep purpose are attainable, but they won't come easy. They require a warrior's mentality. Fighting for them requires passion, perseverance, and precision. This is an invitation to an unflinchingly honest look at your interior life guided by the ancient principles and methods revealed through Scripture. Erwin Raphael McManus delivers wisdom, instills passion, and provides the sacred movements needed to become the warrior you were meant to be. We live in a time of global and personal chaos. The world is at war because our souls are at war. The path to peace begins with you overcoming your most frequent and fierce enemy: yourself.

Two thousand years later the call to follow Christ has been repackaged to be smooth and trouble-free, filled with opportunity and promise but lacking risk, passion, and sacrifice. Is this really what Jesus died for? If He chose the way of the cross, where would He hesitate leading us? Is it possible that to follow Jesus is to choose the barbarian way? Jesus never made a pristine call to a proper or safe religion. Jesus beckons His followers to a path that is far from the easy road. It is a path filled with adventure, uncertainty, and unlimited possibilities?the only path that can fulfill the deepest longings and desires of your heart. This is the barbarian way: to give your heart to the only One who can make you fully alive. To love Him with simplicity and intensity. To unleash the untamed faith within. To be consumed by the presence of a passionate and compassionate God. To go where He sends you, no matter the cost.

In this inspiring book, Erwin McManus uses the biblical account of Israel's war with the Philistines (1 Samuel 13 and 14) and the characters of Saul and Jonathan to demonstrate the difference between living a life of purpose and adventure, and living one of apathy and missed opportunity. In the midst of a less-than-hopeful battle, Saul—who should have been leading—rested beneath a pomegranate tree as Jonathan seized the divine moment that would impact the future of Israel. Through this story McManus artfully illustrates the eight characteristics of an adventurer's heart, what he calls "the Jonathan factor." Using powerful examples from his own

life and ministry, along with fresh biblical teaching, McManus asserts that God crafts divine moments specific to each of us—priceless opportunities for us to actively engage in God's big-picture plan. Apathy and apprehension prevent us from being all we are meant to be for God's kingdom. But by developing the characteristics McManus outlines, Christians can move from mundane to miraculous living.

PURSUING CHRIST. CREATING ART. is written for people who are living in the intersection of the Christian faith, and the creation of art. By their nature, artists look at a life of faith differently, and that unique journey warrants an exploration of what it means to be a Christ-follower and an artist. The book intentionally veers away from tips and techniques and formulas, while concentrating on the journey, the mystery, and the heart.
