diet and create a first aid kit using herbs you might already have in your kitchen? In this book, *Easy Herbalism*, we will introduce you to 16 of the most common medicinal herbs that have been used for hundreds of years. We will discuss how to identify these herbs in the wild, talk about how they were used by our ancestors, and explain how to create medicinal preparations that can be used in the herbal first aid kit, including when and how to use them. Of the herbs that are listed in this book, you have probably heard of all of them before, others you might not be as familiar with. There is also a sort of satisfaction in knowing where your remedies come from and taking control of your own wellness from growing the herbs through to preparing the herbal remedies. There is so much to learn about herbs and what they can do for us: -

WHY THIS BOOK CAN REALLY HELP YOU GET RID OF CHRONIC AND BOTHERSOME DISEASES FASTER AND MORE EFFECTIVELY THAN MOST DRUGS HAVE BEEN ABLE TO SO FAR... Naturopathy is one of the most astonishing forms of treatment. It promotes a natural way of

Download File PDF The Beginners Guide To Medicinal Plants

curing and self-healing and has helped a great number of people treat their diseases. It is quite pleasant to get the solution to your sickness without injecting chemicals and other high drugs and heal effectively. One of the best things about naturopathic treatments is that there aren't any side effects or any bad effects on your health. Why is nature be more resolute than drugs? Simple... Because every active ingredient of normally prescribed drugs originates from plants. An infinite number of people are afflicted by even mild disorders, which traditional medicine fights with chemical concoctions that have side effects that are far more serious than the symptoms they intend to fight. Knowing the healing power of the herb will give you a chance to eliminate problems quickly and easily like: Recurring fatigue (when you
