The Bell Jar addresses the question of socially acceptable identity. It examines Esther's "quest to forge her own identity, to be herself rather than what others expect her to be." Esther is expected to become a housewife, and a self-sufficient woman, without the options to achieve independence. Esther feels she is a prisoner to domestic duties and she fears the loss of her inner self. The ...

The Bell Jar - Wikipedia

The Bell Jar, novel by Sylvia Plath, first published in January 1963 under the pseudonym Victoria Lucas and later released posthumously under her real name. The work, a thinly veiled autobiography, chronicles a young woman 's mental breakdown and eventual recovery, while also exploring societal expectations of women in the 1950s.

### The Bell Jar by Sylvia Plath Plot Summary | LitCharts

Esther narrates The Bell Jar in girlish, slangy prose, sounding mature and detached mainly when speaking of her own morbidity and depression. The first sentence of the novel sets the tone: “ It was a queer, sultry summer, the summer they electrocuted the Rosenbergs, and I didn ’ t know what I was doing in New York. ” Esther feels misplaced, sad, and removed from reality. She lacks the cheery ...

The bell jar symbolizes mental illness and gives the novel its title. It is Esther ’ s own metaphor for describing what she feels like while suffering her nervous breakdown: no matter what she is doing or where she is, she sits alienated “ under the same glass bell jar, stewing in my own sour air. ”

masterfully draws the reader into Esther ' s breakdown with such intensity that Esther ' s insanity becomes completely real and even rational, as probable and accessible an experience as going to the movies. Such deep penetration into the dark and harrowing corners of the psyche is an extraordinary accomplishment and has made The Bell Jar a haunting American classic. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

This eBook edition of "The Bell Jar (Unabridged)" has been formatted to the highest digital standards and adjusted for readability on all devices. Esther Greenwood, a young woman from the suburbs of Boston, gains a summer internship at a prominent magazine in New York City, under editor Jay Cee; however, Esther is neither stimulated nor excited by either the big city or the glamorous culture and lifestyle that girls her age are expected to idolize and emulate. She instead finds her experience to be frightening and disorienting. From hereafter her mental state keeps deteriorating until she starts feeling helpless as if being kept inside a glass bell jar! The Bell Jar is the only novel written by the American writer and poet Sylvia Plath. Originally published under the pseudonym "Victoria Lucas" in 1963, the novel is semi-autobiographical, with the names of places and people changed. The book is often regarded as a roman à clef because the protagonist's descent into mental illness parallels Plath's own experiences with what may have been clinical depression or bipolar II disorder. Plath died by suicide a month after its first UK publication. The novel was published under Plath's name for the first time in 1967 and was not published in the United States until 1971, in accordance with the wishes of both Plath's husband, Ted Hughes, and her mother.

This carefully crafted ebook: "The Bell Jar" is formatted for your eReader with a functional and detailed table of contents. Esther Greenwood, a young woman from the suburbs of Boston, gains a summer internship at a prominent magazine in New York City, under editor Jay Cee; however, Esther is neither stimulated nor excited by either the big city or the glamorous culture and lifestyle that girls her age are expected to idolize and emulate. I was supposed to be having the time of my life. When Esther Greenwood wins an internship on a New York fashion magazine in 1953, she is elated, believing she will finally realise her dream to become a writer. But in between the cocktail parties and piles of manuscripts, Esther's life begins to slide out of control. She finds herself spiralling into depression and eventually a suicide attempt, as she grapples with difficult relationships and a society which refuses to take women's aspirations seriously. The Bell Jar, Sylvia Plath's only novel, was originally published in 1963 under the pseudonym Victoria Lucas. The novel is partially based on Plath's own life and descent into mental illness, and has become a modern classic. The Bell Jar has been celebrated for its darkly funny and razor sharp portrait of 1950s society and has sold millions of copies worldwide.

An overview of the novel features a biographical sketch of the American author, a list of characters, a summary of the plot, and critical and analytical views of the work.

"Though her life was brief, the American poet and novelist Sylvia Plath (1932-63) exerted a profound influence on contemporary writers, particularly women writers of the sixties and seventies. Just as to her Pulitzer Prize-winning poetry Plath brought a decidedly feminist perspective, so too did she etch in her novel *The Bell Jar* a disturbing vision of life for young women in America at midcentury. *The Bell Jar* - based on Plath's own experiences as a student at Smith College, an intern at *Mademoiselle*, and a young woman battling for her own sanity amid societal mores of the times - was initially published in England under a pseudonym, its American publication stifled for years by the writer's family. When, however, the 1963 novel was finally released to U.S. audiences in 1971, it achieved both critical and popular success, and has since become a classic of feminist literature and a unique vehicle for better appreciating Plath's gifts." "It is through a multifaceted lens that Linda Wagner-Martin examines *The Bell Jar* in this new study. Whereas past critical attention has centered on *The Bell Jar* as autobiography, Wagner-Martin transcends that approach, looking as well at the novel in its larger context of the social and historical forces shaping women's lives in America during the fifties and sixties. Thus eschewing a simplistic reading of the novel, the author plumbs issues of gender, genre, and narrative voice. Arguing that Plath's troubled personal history was the product of her struggle against contemporary social forces, Wagner-Martin reviews the writer's prior work and inspects earlier, partial versions of the novel; explores Plath's use of humor and sarcasm; traces the writer's representation of patriarchal structures in the novel; and ultimately places the novel squarely in the tradition of works about women at odds with a society dominated by patriarchal values. A brilliantly argued, eminently readable approach to this masterpiece, *The Bell Jar: A Novel of the Fifties* is certain to be lauded by scholars and students alike."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

*The Bell Jar* is a highly distinctive and unusual book, and although the era of the 1950's it represents has faded and disappeared into history, the power of this novel does not dissipate. The original essays in this volume each take on a specific angle from which to examine the work. One essay discusses the issue of nature vs. nurture in the novel, while another discusses the similarities between Plath's work and Susanna Kaysen's *Girl, Interrupted*. The older essays provide some of the finest scholarship on *The Bell Jar* that has been made available over the years, and offer a wide variety of critical approaches to this work.

Pulitzer Prize winner Sylvia Plath 's complete poetic works, edited and introduced by Ted Hughes. By the time of her death on 11, February 1963, Sylvia Plath had written a large bulk of poetry. To my knowledge, she never scrapped any of her poetic efforts. With one or two exceptions, she brought every piece she worked on to some final form acceptable to her, rejecting at most the odd verse, or a false head or a false tail. Her attitude to her verse was artisan-

like: if she couldn't get a table out of the material, she was quite happy to get a chair, or even a toy. The end product for her was not so much a successful poem, as something that had temporarily exhausted her ingenuity. So this book contains not merely what verse she saved, but—after 1956—all she wrote.—Ted Hughes, from the Introduction

Sylvia Plath's shocking, realistic, and intensely emotional novel about a woman falling into the grip of insanity. Esther Greenwood is brilliant, beautiful, enormously talented, and successful, but slowly going under—maybe for the last time. In her acclaimed and enduring masterwork, Sylvia Plath brilliantly draws the reader into Esther's breakdown with such intensity that her insanity becomes palpably real, even rational—as accessible an experience as going to the movies. A deep penetration into the darkest and most harrowing corners of the human psyche, *The Bell Jar* is an extraordinary accomplishment and a haunting American classic. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
