Warning: Your day will become very dark—and possibly damp—if you read this book. Plan to spend this spring in hiding. Lemony Snicket is back with the eleventh book in his New York Times bestselling A Series of Unfortunate Events. Lemony Snicket's saga about the charming, intelligent and grossly unlucky Baudelaire orphans continues to provoke suspicion and despair in readers the world over. In the eleventh and most alarming volume yet in the bestselling phenomenon A Series of Unfortunate Events, the intrepid siblings delve further into the dark mystery surrounding the death of their parents and the baffling VFD organisation.

Still pursued by the evil Count Olaf, the Baudelaire orphans attempt to reach a very important VFD meeting, but first they must travel in a rattletrap submarine to the Gorgonian Grotto, a dangerous underwater cave, in search of the sugar bowl.

*The Grim Grotto - The Grim Grotto - The Grim Grotto*

Still pursued by the evil Count Olaf, the Baudelaire orphans attempt to reach a very important VFD meeting, but first they must travel in a rattletrap submarine to the Gorgonian Grotto, a dangerous underwater cave, in search of the sugar bowl.

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . Unless you are a slug, a sea anemone or mildew you probably prefer not to be damp. But unfortunately the Beaudelaires encounter an unpleasant amount of dampness as they descend into the depths of watery despair in The Grim Grotto. You may wish to delve into some happier book in order to keep your eyes and your spirits from being moistened. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

Wintertime is here, and that means it is bedtime for Bear. But Bear's friends don't think so. They want Bear to come and play outside in the snow. Bear can hear his friends calling. He hears them laughing and playing. Bear can't sleep. But it's bedtime! What is a bear to do?

NOW A NETFLIX ORIGINAL SERIES
A Warning from the Publisher: If you have come this far, it is likely too late. Readers who have experienced the first nine volumes in A Series of Unfortunate Events by Lemony Snicket are usually so weakened by their dreadful knowledge of the Baudelaire orphans' story that they spend most of their time moaning and weeping, and have no strength to read The Slippery Slope, The Grim Grotto, The Penultimate Peril, or The End. If, by chance, your moaning and weeping is more or less under control, there is no need to further risk your physical, emotional, and literary health by reading the four remaining volumes in the series. It would be better to regain your strength by spending your time indulging in less alarming activities, such as whistling or making cupcakes for the elderly. After all, this collection contains all of the calamities in the last four volumes of A Series of Unfortunate Events, including abandoned condiments, cigarette smoking, a shocking revelation, a ridiculous laugh, a fearsome storm, a herd of wild sheep, a truly haunting secret about the Baudelaire parents, another shocking revelation, and Phil. There is no need to expose yourself to such atrocities, not after all you've been through already.

A new stand-alone adventure—appropriate for all ages—by Lemony Snicket, one of the twenty-first century's most beloved authors. In the years since this publishing house was founded, we have worked with an array of wondrous authors who have brought illuminating clarity to our bewildering world. Now, instead, we bring you Lemony Snicket. Over the course of his long and suspicious career, Mr. Snicket has investigated many things, including villainy, treachery, conspiracy, ennuï, and various suspicious fires. In this book, he is investigating his own death. Poison for Breakfast is a different sort of book than others we have published, and from others you may have read. It is different from other books Mr. Snicket has written. It could be said to be a book of philosophy, something almost no one likes, but it is also a mystery, and many people claim to like those. Certainly Mr. Snicket didn't relish the dreadful task of solving it, but he had no choice. It was put in front of him, right there, on his plate.

Martin Luna struggles to rebuild his life after the death of his little brother and finds himself getting in trouble in school and at home.

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . Like handshakes, house pets or raw carrots, many things are preferable when not slippery. Unfortunately the Baudelaires run into more than their fair share of slipperiness during their harrowing journey up and down a range of strange and distressing mountains in The Slippery Slope. In order to spare you repulsion it is best not to mention any more regarding a secret message, a toboggan, a deceitful trap, a swarm of snow gnats and a scheming villain. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.
