The Jane Austen dramatizations are good, particularly Mansfield Park, Pride and Prejudice, and Sense and Sensibility. I'm not sure if it's still up on the BBC player, but there was a Les Mis dramatization with the actor who played Douglas on Cabin Pressure playing Valjean.

This lavish gift box of Tolkien's seminal works comprises five deluxe slipcased editions - The Hobbit, The Lord of the Rings, The Silmarillion, The Children of Hurin, and Tales from the Perilous Realm. With an individual retail value of GBP340, this quintet represents a saving of GBP90, and only 100 sets have been made.

Sir Gawain and the Green Knight

Bilbo 's Last Song is considered by many to be Tolkien 's epilogue to his classic work The Lord of the Rings. As Bilbo Baggins takes his final voyage to the Undying Lands, he must say goodbye to Middle-earth. Poignant and lyrical, the song is both a longing to set forth on his ultimate journey and a tender farewell to friends left behind. Pauline Baynes 's jewel-like illustrations lushly depict both this final voyage and scenes from The Hobbit, as Bilbo remembers his first journey while he prepares for his last.

Journeys to the end of the world, fantastic creatures, and epic battles between good and evil -- what more could any reader ask for in one book? The book that has it all is the lion, the witch and the wardrobe, written in 1949 by C. S. Lewis. But Lewis did not stop there. Six more books followed, and together they became known as The Chronicles of Narnia. For the past fifty years, The Chronicles of Narnia have transcended the fantasy genre to become part of the canon of classic literature. Each of the seven books is a masterpiece, drawing the reader into a world where magic meets reality, and the result is a fictional world whose scope has fascinated generations. This edition presents all seven books -- unabridged -- in one impressive volume. The books are presented here according to Lewis's preferred order, each chapter graced with an illustration by the original artist, Pauline Baynes. This edition also contains C. S. Lewis's essay "On Three Ways of Writing for Children," in which he explains precisely how the magic of Narnia and the realm of fantasy appeal not only to children but to discerning readers of all ages. Deceptively simple and direct, The Chronicles of Narnia continue to captivate fans with adventures, characters, and truths that speak to all readers, even fifty years after the books were first published.

Set in a world of goblin wars, stag-sized battle ravens, and assassins who kill with deadly tattoos, Christopher Buehlman's The Blacktongue Thief begins a 'dazzling' (Robin Hobb) fantasy adventure unlike any other. Kinch Na Shannack owes the Takers Guild a small fortune for his education as a thief, which includes (but is not limited to) lock-picking, knife-fighting, wall-scaling, fall-breaking, lie-weaving, trap-making, plus a few small magics. His debt has driven him to lie in wait by the old forest road, planning to rob the next traveler that crosses his path. But today, Kinch Na Shannack has picked the wrong mark. Galva is a knight, a survivor of the brutal goblin wars, and handmaiden of the goddess of death. She is searching for her queen, missing since a distant northern city fell to giants. Unsuccessful in his robbery and lucky to escape with his life, Kinch now finds his fate entangled with Galva's. Common enemies and uncommon dangers force thief and knight on an epic journey where goblins hunger for human flesh, krakens hunt in dark waters, and honor is a luxury few can afford. " The Blacktongue Thief is fast and fun and filled with crazy magic. I can't wait to see what Christopher Buehlman does next." - Brent Weeks, New York Times bestselling author of the Lightbringer series At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Scottish novelist David Lindsay (1876-1945) was born to a middle-class Calvinist family, forced by poverty to work as an insurance clerk

## Download Free The Hobbit Bbc Dramatization

instead of attending university, and at the age of forty took up the cause and worked his way to Corporal of the Royal Army Pay Corps in World War I. After the war he moved to Cornwall with his wife and began writing full-time, publishing his first novel, "A Voyage to Arcturus," in 1920. Although the science fiction novel initially sold less than six hundred copies, it has come to be known as a major "underground" novel of the 20th century, and heavily influenced C.S. Lewis's "Out of the Silent Planet." The story is set at Tormance, an imaginary planet orbiting Arcturus, where an adventurous Scot named Muskall has travelled and where he encounters myriad characters and lands that reflect Lindsay's critique of various philosophical systems.

After discovering the true nature of the One Ring, Bilbo Baggins entrusts it to the care of his young cousin, Frodo, who is charged with bringing about its destruction and thus foiling the plans of the Dark Lord.
