The Andromeda Strain meets The Stand in this startling and stunning thriller that brings to life a unique vision of the apocalypse and plays brilliantly with vampire mythology, revealing what becomes of human society when a top-secret government experiment spins wildly out of control. At an army research station in Colorado, an experiment is being conducted by the U.S. Government: twelve men are exposed to a virus meant to weaponize the human form by super-charging the immune system. But when the experiment goes terribly wrong, terror is unleashed. Amy, a young girl abandoned by her mother and

set to be the thirteenth test subject, is rescued by Brad Wolgast, the FBI agent who has been tasked with handing her over, and together they escape to the mountains of Oregon. As civilization crumbles around them, Brad and Amy struggle to keep each other alive, clinging to hope and unable to comprehend the nightmare that approaches with great speed and no mercy. . .

#1 NEW YORK TIMES BESTSELLER • “A thrilling finale to a trilogy that will stand as one of the great achievements in American fantasy fiction.”—Stephen King You followed *The Passage*. You faced *The Twelve*. Now enter *The City of Mirrors* for the final reckoning. As the bestselling epic races to its breathtaking finale, Justin Cronin’s band of hardened survivors await the second coming of unspeakable darkness. The world we knew is gone. What world will rise in its place? The Twelve have been destroyed and the terrifying hundred-year reign of darkness that descended upon the world has ended. The survivors are stepping outside their walls, determined to build society anew—and daring to dream of a hopeful future. But far from them, in a dead metropolis, he waits: Zero. The First. Father of the Twelve. The anguish that shattered his human life haunts him, and the hatred spawned by his transformation burns bright. His fury will be quenched only when he destroys Amy—humanity’s only hope, the Girl from Nowhere who grew up to rise against him. One last time light and dark will clash, and at last Amy and her friends will know their fate. Look for the entire *Passage* trilogy: **THE PASSAGE | THE TWELVE | THE CITY OF MIRRORS** Praise for *The City of Mirrors* “Compulsively readable.”—*The New York Times Book Review* “*The City of Mirrors* is poetry. Thrilling in every way it has to be, but poetry just the same . . . The writing is sumptuous, the language lovely, even when the action itself is dark and violent.”—*The Huffington Post* “This really is the big event you’ve been waiting for . . . A true last stand that builds and comes with a bloody, roaring payoff you won’t see coming, then builds again to the big face off you’ve been waiting for.”—NPR “A masterpiece . . . with *The City of Mirrors*, the third volume in *The Passage* trilogy, Justin Cronin puts paid to what may well be the finest post-apocalyptic epic in our dystopian-glutted times. A stunning achievement by virtually every measure.”—*The National Post* “Justin Cronin’s *Passage* trilogy is remarkable for the unremitting drive of its narrative, for the breathtaking sweep of its imagined future, and for the clear lucidity of its language.”—Stephen King

NEW YORK TIMES BESTSELLER • The end of the world was only the beginning. In his internationally bestselling and critically acclaimed novel *The Passage*, Justin Cronin constructed an unforgettable world transformed by a government experiment gone horribly wrong. Now the scope widens and the intensity deepens as the epic story surges forward . . . In the present day, as the man-made apocalypse unfolds, three strangers navigate the chaos. Lila, a doctor and an expectant mother, is so shattered by the spread of violence and infection that she continues to plan for her child’s arrival even as society dissolves around her. Kittridge, known to the world as “Last Stand in Denver,” has been forced to flee his stronghold and is now on the road, dodging the infected, armed but alone and well aware that a tank of gas will get him only so far. April is a teenager fighting to guide her little brother safely through a landscape of death and ruin. These three will learn that they have not been fully abandoned—and that in connection lies hope, even on the darkest of nights. One hundred years in the future, Amy and the others fight on for humankind’s salvation . . . unaware that the rules have changed. The enemy has evolved, and a dark new order has arisen with a vision of the future infinitely more horrifying than man’s extinction. If the Twelve are to fall, one of those united to vanquish them will have to pay the ultimate price. A heart-stopping thriller rendered with masterful literary skill, *The Twelve* is a grand and gripping tale of sacrifice and survival. Look for the entire *Passage* trilogy: **THE PASSAGE | THE TWELVE | THE CITY OF MIRRORS** Praise for *The Twelve* “[A] literary superthriller.”—*The New York Times Book Review* “An undeniable and compelling epic . . . a complex narrative of flight and forgiveness, of great suffering and staggering loss, of terrible betrayals and incredible hope.”—*Milwaukee Journal Sentinel* “*The Twelve* is even better than *The Passage*.”—*The Plain Dealer* “A compulsive read.”—*San Francisco Chronicle* “Gripping . . . new elements to his masterful mythology. . . . Enthralling, emotional and entertaining.”—The San Diego Union-Tribune “Fine storytelling.”—Associated Press “Cronin is one of those rare authors who works on two different levels, blending elegantly crafted literary fiction with cliff-hanging thrills.”—Fort Worth Star-Telegram

WINNER OF THE PEN/HEMINGWAY AWARD • “An astonishingly good first novel . . . fully engaging from the first paragraph. What a gift: to be able to live alongside these people for a while.”—Ann Patchett, Chicago Tribune *Mary and O’Neil: They are like any other couple. They have survived loss and found love and managed the occasional hard-earned laugh as they move toward the future, hearts thick with hope. Each human life is ever changing, born of moments large and small—births and deaths and weddings, grave mistakes and chance encounters and acts of surprising courage—and in this unforgettable book, Justin Cronin makes vivid how those moments connect us all, making us more than we could ever be on our own. Alight with nuance, sly humor, and startling wisdom, Mary and O’Neil celebrates the uncommon grace to be found in common lives* Praise for *Mary and O’Neil* “Admirably fearless.”—The New York Times Book Review “The kind of storytelling that goes down easy, and sticks to your ribs.”—The Philadelphia Inquirer “Cronin succeeds, touchingly and tenderly, in portraying life itself as a triumph of hope over experience.”—The Boston Globe

Nearing the end of his life, financier Harry Wainwright journeys to a rustic fishing camp in Maine and leaves a profound legacy for a haunted young man, a Vietnam draft evader, a woman Harry loved for three decades, and a spirited young woman who holds a key to the past. Reprint. 50,000 first printing.

The first book of the blockbuster trilogy is the basis for the buzzed-about Fox TV series, *The Passage*, set to premiere in Canada in early 2019. An epic and gripping tale of catastrophe and survival, *The Passage* is the story of Amy--abandoned by her mother at the age of six, pursued and then imprisoned by the shadowy figures behind a government experiment of apocalyptic proportions. But Special Agent Brad Wolgast, the lawman sent to track her down, is disarmed by the curiously quiet girl and risks everything to save her. As the experiment goes nightmarishly wrong, Wolgast secures her escape--but he can't stop civilization's collapse. And as Amy walks alone, across miles and decades, into a future dark with violence and despair, she is filled with the mysterious and terrifying knowledge that only she has the power to save the ruined world.

Award -winning author Benjamin Percy presents an explosive and deeply layered literary thriller set in the American West. They live among us. They are our neighbors, our mothers, our lovers. They change. When government agents kick down Claire Forrester's front door and murder her parents, Claire realizes just how different she is. Patrick Gamble was nothing special until the day he got on a plane and hours later stepped off it, the only passenger left alive, a hero. Chase Williams has sworn to protect the people of the United States from the menace in their midst, but he is becoming the very thing he has promised to destroy. So far, the threat has been controlled by laws and violence and drugs. But the night of the red moon is coming, when an unrecognizable world will emerge...and the battle for humanity will begin.

A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado.

Glen Duncan delivers a powerful, sexy new version of the werewolf legend, a riveting and monstrous thriller--with a profoundly human heart. Jake Marlowe is the last werewolf. Now just over 200 years old, Jake has an insatiable appreciation for good scotch, books, and the pleasures of the flesh, with a voracious libido and a hunger for meat that drives him crazy each full moon. Although he is physically healthy, Jake has slipped into a deep existential crisis, considering taking his own life and ending a
